A truly magical book that reminded me of Wayne Dyer when we first began working together - I felt a very similar energy. -Joanna Pylee (Dr. Wayne Dyer's book editor for over 30 years) Are you interested in living your dreams? Longing for a transformation in your life? Would you like to understand your soul's purpose? Do you have a burning desire to reach your full potential and contribute more meaningfully in the world? If you are ready to master your mind and access the freedom needed to achieve your truest wishes, then, it may be time for the Tiny Book of Magic. In this motivational book, combining magic, strength, wisdom and simplicity into an inspiring tale of self-discovery, Joshua Dawson reveals how to effectively make the shift from ordinary to ExtraOrdinary living - a life filled with purpose, compassion, impact, and love. Diving deep, you are gently helped with: \* The daily tools and tactics needed to fulfill your wishes without sacrificing yourself in the process \* How to transform your problems, hardships and challenges into your biggest opportunities that will propel you into the magic zone \* How to make life count and flow with ease by focusing on what truly matters \* How to attract everything you'll ever need to be happy \* How magic is disguised by a thin veil of culturally and historically created illusions \* How to express your most perfect and powerful dreams to the world (that make buying into your vision an obvious no-brainer) \* How to apply spiritual solutions in any area of your life - From business to family and everything in between. The Tiny Book of Magic begins with a mystical story of how the untimely death of Joshua's father released a quest to understand the depth of life, awakening a dormant spirit. A quest leading him from the day to day business grind to travelling around the world dressed as a Blue Genie granting wishes for people in need. Revealing riches far different-and far more satisfying-than he ever imagined. During his travels granting wishes and sharing the stage with names that include Eckhart Tolle, Dr. Wayne Dyer, Deepak Chopra, Marianne Williamson, and Jack Canfield, Joshua came to remember that fulfilling all your deepest desires is much closer than you think. This transformational guide teaches us about the essential wisdom of listening to our hearts, and, most importantly, of expressing our true nature and fulfilling our dreams. Wow! I feel like I just came from a beautiful, enlightening, and life changing retreat after this week or so of delving into your book. She's been working at the same Nodaway Falls, New York, waffle house since she was a teenager; not a lot of upward mobility there. She's been in love with Tobias, the cook, for the last four years; he's never made a move. Every Saturday night, she gathers with her three best friends—Peach, Millie, and Stacy—and drinks the same margaritas while listening to the same old stories. Intent on shaking things up, she puts her house on the market, buys a one-way ticket to Europe, and announces her plans to her friends . . . but then she meets Davina Granville, a strange and mystical Southern woman who shows Olivia that there is more to her life than she ever dreamed. As Liv's latent magical powers come to the surface, she discovers that having an interesting life is maybe not all it's cracked up to be. The dark side of someone else's magic is taking over good people in town, and changing them into vessels of malevolence.
