Two Days That Rocked the World May 02 2020 Photographs by world-renowned photographer Terry O Neill on stage with Elton John in one of the bigger moments in pop history 150 sumptuous photographs bound in a beautiful slipcase with an introduction by Billie Jean King Looking at Terry s photographs is like gazing through a window at the most extraordinary and exciting moments of my life. I m so glad he was with us throughout the madness: in his evocative and stylish photos he captured those moments as no other photographer could. -Elton John On October 25 and 26, 1975, Elton John performed two sold-out

shows in LA's Dodger Stadium. It would be the largest rock concert of its time and the first time a musical act was performed at the ballpark since The Beatles in 1966. With Captain Fantastic and the Brown Dirt Cowboy, the first ever album to debut straight at number one, and the impending release of his next #1 Billboard charts topper, Rock of the Westies, Elton's fame was at an all-time high. The biggest rock star in the world was going to stage two nights in one of America's most beloved and famous venues, and Terry O'Neill, the restless photographer who documented The Beatles, David Bowie and The Rolling Stones, was there on stage to make sure posterity would see what thousands experienced for themselves. Through private moments as well as public ones, including backstage exchanges with fans as diverse as Cary Grant and Billie Jean King, O'Neill's *Two Days that Rocked the World: Elton John Live at Dodger Stadium* creates a visual record of a musician at the peak of his powers."

*Love Is the Cure* Mar 12 2021 A deeply personal account of Elton John's life during the era of AIDS and an inspiring call to action. In the 1980s, Elton John saw friend after friend, loved one after loved one, perish needlessly from AIDS. He befriended Ryan White, a young Indiana boy ostracized because of his HIV infection. Ryan's inspiring life and devastating death led Elton to two realizations: His own life was a mess. And he had to do something to help stop the AIDS crisis. Since then, Elton has

dedicated himself to overcoming the plague and the stigma of AIDS. The Elton John AIDS Foundation has raised and donated \$275 million to date to fighting the disease worldwide. *Love Is the Cure* includes stories of Elton's close friendships with Ryan White, Freddie Mercury, Princess Diana, Elizabeth Taylor, and others, and the story of the Elton John AIDS Foundation. Sales of *Love Is the Cure* benefit the Elton John AIDS Foundation.

Elton John FAQ Feb 08 2021 This month, as Sir Elton John celebrates his seventieth birthday, Backbeat Books is thrilled to announce the release of Donald Gibson's Elton John FAQ: All That's Left to Know About the Rocket Man. An exploration of Sir Elton's accolades alone could span several volumes: in a career spanning nearly five decades, he has sold over 250 million records worldwide, appeared in nearly 4 000 live performances, been inducted into both the Rock and Roll Hall of Fame and the Songwriters Hall of Fame, and received multiple awards and nominations from the Academy, GRAMMYs, Oscars, and Tonys. How can one possibly hope to examine the life and times of this peerless singer-songwriter, the most successful solo artist Great Britain has ever produced and the third-most successful artist overall in American music history? Why, with Backbeat's acclaimed FAQ format, of course! Like

every other volume in the FAQ series, Elton John FAQ is overflowing with enlightening data, compact histories, rare photographs and period ephemera, all organized into chapters equally suitable for a straight-through read or random perusal. Gibson touches on every major episode from Sir Elton's life, from his humble, and at times disheartening, childhood in the North London suburb of Pinner to his serendipitous meeting with lyricist Bernie Taupin, with whom he'd form a songwriting partnership that would ultimately rank alongside Lennon and McCartney in its success, and beyond. Scrutinizing the highs and lows of a life crammed with musical phases and sartorial changes, the book underscores not only the renowned musician's talents, but the truth behind tales that are familiar only to diehard fans.

**Captain Fantastic** Dec 09 2020 The true story of Elton John's meteoric rise from obscurity to worldwide celebrity in the weird, wild 1970s, based on rare one-on-one interviews with the Rocket Man himself—now the subject of a major motion picture. In August 1970, Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles. Over the next five years, the artist formerly known as Reginald Dwight went from unheard of to unstoppable, scoring seven consecutive #1 albums and sixteen Top Ten singles in America. By the middle of the decade, he was solely responsible for 2 percent of global record sales. One in fifty albums sold in the world bore his name. Elton John's live shows became raucous theatrical extravaganzas, attended by all the glitterati of the era. But beneath the spangled bodysuits and oversized eyeglasses, Elton was a desperately shy man, conflicted about his success, his sexuality, and his narcotic indulgences. In 1975, at the height of his fame, he attempted suicide. After coming out as bisexual

in a controversial Rolling Stone interview that nearly wrecked his career, and announcing his retirement from live performance in 1977 at the age of thirty, he gradually found his way back to the thing he cared about most: the music. *Captain Fantastic* gives readers a behind-the-scenes look at the rise, fall, and return to glory of one of the world's most mercurial performers. Rock journalist Tom Doyle's insider account of the Rocket Man's turbulent ascent is based on a series of one-on-one interviews in which Elton laid bare many previously unrevealed details of his early career. Here is an intimate exploration of Elton's working relationship with songwriting partner Bernie Taupin, whose lyrics often chronicled the ups and downs of their life together in the spotlight. Through these pages pass a parade of legends whose paths crossed with Elton's during the decade—including John Lennon, Bob Dylan, Groucho Marx, Katharine Hepburn, Princess Margaret, Elvis Presley, and an acid-damaged Brian Wilson. A fascinating portrait of the artist at the apex of his celebrity, *Captain Fantastic* takes us on a rollicking fame-and-drug-fueled ride aboard Elton John's rocket ship to superstardom. Praise for *Captain Fantastic* “Veteran rock journalist [Tom] Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star. . . . In chronicling Elton John's stratospheric rise to fame, replete with platinum records, increasingly outlandish stage shows, and mountains of cash, the author deftly manages to keep his subject in sharp focus. Based on hours of one-on-one interviews with *Captain Fantastic* himself, this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records. . . . A great way to better understand the man behind the garish glasses and platform boots.”—Kirkus Reviews “In this adoring and candid set of fan's notes, music journalist Doyle (Man on the

Run) draws on interviews with John and his colleagues, especially his writing partner, Bernie Taupin, to capture the meteoric rise and fall of the man who released at least one album every year of the 1970s. . . . This energetic book . . . makes a convincing case that John reached his peak and made his best music in the '70s.”—Publishers Weekly “A breezy and surprisingly poignant romp through a decade, and a career, that effectively invented modern celebrity culture.”—Peter Doggett, author of *You Never Give Me Your Money: The Beatles After the Breakup*

**Elton John** Jan 22 2022 A pocket-sized collection of Elton John songs presented in chord songbook format, with guitar chords boxes, complete lyrics and a tuning/playing guide. Includes songs from 1969 right up to 2011.

**Elton John** Jun 26 2022 Iconic songs including “Crocodile Rock,” “Goodbye Yellow Brick Road,” “Daniel,” and total record sales of well over 300 million have made Elton John one of the most beloved and successful musical artists of all time. As the biopic ‘Rocketman’ hits theaters, the editors at LIFE present this special edition ‘Elton John: The Songs, The Journey, The Life,’ a unique, colorful look at the flamboyant singer’s unlikely and epic rise to superstardom. The story begins with “The Piano Player,” a chapter when Reginald Kenneth Dwight, after a difficult childhood, began working as an unknown backing musician in the pubs of London. “The Unexpected Star” then details his profound transformation into Elton John, embraced first during the summer of 1970 by American audiences, after an infamous show at the Troubadour in Los Angeles. “The Rocket Man” and “A View from the Top” follow him through decades of great heights and great falls as he negotiates the trouble-in-paradise that is international pop/rock fame. Finally, “Elton Plays On” tracks his continued activity and success in musical theater, writing for the movies, and the beginning of his three-year farewell world tour. Let this unique guide from LIFE take you back through the legacy of Elton John and the music that has formed the soundtrack for the lives of millions. Please note that this product is an authorized edition published by the Meredith Corporation and sold by Amazon. This edition is printed using a high quality matte interior paper and printed on demand for immediate fulfillment." -- amazon.com.

*His Song* Feb 20 2022 An authoritative biography on the legendary artist who has sold more than 200 million records, amassed five Grammys, one Academy Award, and one Golden Globe, and was inducted into both the Songwriter's and Rock and Roll Hall of Fame, *His Song* has become the definitive

critical volume about this remarkable artist. This book reveals the full story behind all of Elton's recordings; offers a complete chronicle of his concert tours, including his 1979 tour of the Soviet Union and his 1994-1995 tour with fellow piano superstar Billy Joel; divulges how he grew from a meek, unassuming man into a personality powerhouse and major superstar; and uncovers the untold story behind his flamboyant costumes and why he wore them. commercial downturn and his difficult business relationship with David Geffen; his coming out, first as a bisexual and finally as a gay man; his problems with drugs, alcohol, bulimia, and sexual addictions; and his relationship with AIDS sufferer Ryan White. It also tells the true story regarding his performance at Princess Diana's funeral and his rewriting of Candle in the Wind, which went on to become the biggest-selling single in music history. More than 40 photographs and a complete discography chronicle the breadth of this music legend's celebrated career.

*Me* Oct 31 2022 INSTANT #1 NEW YORK TIMES

**BESTSELLER** In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life, from his rollercoaster lifestyle as shown in the film *Rocketman*, to becoming a living legend. Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt, and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to

disco-dancing with Princess Diana and Queen Elizabeth; from friendships with John Lennon, Freddie Mercury, and George Michael to setting up his AIDS Foundation to conquering Broadway with Aida, The Lion King, and Billy Elliot the Musical. All the while Elton was hiding a drug addiction that would grip him for over a decade. In *Me*, Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble, and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you by a living legend.

**Eu, Elton John** Mar 31 2020 Elton John é o cantor e compositor de maior e mais duradouro sucesso de todos os tempos.

Embalada em altos e baixos, sua vida é extraordinária. Na sua primeira e única autobiografia, ele conta essa história em suas próprias palavras e com a honestidade – e o humor – que lhe é peculiar. Nesses setenta anos, não faltam momentos engraçados e outros tantos de partir o coração. Ele lembra detalhes da sua infância crescendo em um subúrbio de Londres e o relacionamento difícil com os pais. Batizado Reginald Dwight, era um garoto que, embora tímido, sonhava com o estrelato. Com 23 anos, fez seu primeiro show nos Estados Unidos.

Vestido com um brilhante macacão amarelo, uma camiseta com estrelas e botas com asas, enfrentou uma plateia atônita com aquela figura – e aquela performance. Elton John estava chegando e o mundo da música nunca mais seria o mesmo. No livro *Eu, Elton John*, ele narra episódios dramáticos desde a rejeição precoce de seu trabalho com o parceiro de composição Bernie Taupin aos momentos de perder o controle como um superstar; das tentativas de suicídio ao secreto vício em drogas por mais de uma década. Elton John se lembra de episódios marcantes de suas amizades com John Lennon, Freddie Mercury

e George Michael e até mesmo o dia em que dançou música disco com a Rainha da Inglaterra. Ele também escreve em detalhes como superou uma vida de vícios e fundou a sua Fundação para a Aids. Revela que encontrou o verdadeiro amor com David Furnish, se lembra de férias inesquecíveis com o estilista italiano Versace e da tristeza em cantar no funeral de sua amiga, a princesa Diana. Não faltam, é claro, detalhes de algumas de suas composições que entraram para a história. E, por fim, identifica o momento em que percebeu que queria ser pai – e viu sua vida mudar mais uma vez. Divertida e emocionante, a autobiografia *Eu, Elton John* vai levar o leitor a uma jornada íntima com uma lenda viva. "O mais incrível do rock 'n' roll é que ele permite que alguém como eu se torne uma estrela." - Elton John

*Play Piano with Elton John* Jan 10 2021

*Elton John, Bernie Taupin* Feb 29 2020

*Elton John* Sep 17 2021 Presents the life and career of musician Elton John, known for his colorful costumes, he has released nine gold and twenty-five platinum albums and continues to impact the music industry.

*Rocket Man* Aug 29 2022 Since his U.S. debut 25 years ago, Elton John has had a top-40 hit every year. This volume chronicles his success in the popular music world.

Elton John Aug 24 2019 A biography of the creator of such songs as "Rocket Man" and "Goodbye Yellow Brick Road" discusses John's childhood dreams of soccer fame, the marriage he avoided in his youth and the one that failed in the 1980s, his bisexuality, and his musical success.

Who Is Elton John? Jan 02 2023 How does a little boy from the London suburbs named Reginald Kenneth Dwight grow up to become one of the biggest pop stars of all time? A lot of talent and a lot of personality! Elton John, as he would later call

himself, started playing piano at the age of three. Although he was trained to play classical music, Elton's real love was rock and roll. He cut his first album in 1969 and has dominated the airwaves ever since with songs like "Your Song," "Crocodile Rock" and "Can You Feel the Love Tonight." Known for his outlandish stage costumes and giant glasses, Elton John continues to write songs for Broadway musicals, Hollywood soundtracks, and Top-40 hits.

Elton John: Rocket Man Oct 07 2020 Elton John is one of the most prolific and commercially successful artists in music. Just in time for his farewell world tour, this lavish, unofficial retrospective commemorates John's incredible life and career. Fully illustrated throughout, with rare archival memorabilia and previously unpublished photographs, this book covers everything from his childhood as a piano prodigy and early days playing West End gigs to his fortuitous meeting--and subsequent lifelong partnership--with lyricist Bernie Taupin; it charts John's meteoric rise to stardom, his challenges along the way, and his tireless work for various charities. This is the ultimate keepsake for all Elton John fans.

*Elton John. Ediz. italiana* Jul 04 2020

**Elton John: Fifty Years On** Apr 24 2022 We can count on one hand the musical legends equal to Elton John (the Beatles and the Rolling Stones each get a finger). *Elton John: Fifty Years On* looks at the impact songwriting partners Elton John and Bernie Taupin have had on popular music and culture, and also discusses every song on all thirty albums, plus his work on Broadway, in movies, and elsewhere. • Part 1 is a bullet-pointed look at every released song, complete with insights, trivia, and meanings, including musical insights—like Elton's favorite chord progressions, or the most notable melodies in his discography. • Part 2 is a collection of essays and interviews

with musicians and music writers chatting about Elton and Bernie. Did you know? · Elton and Bernie's revision of "Candle in the Wind" (known as "Goodbye England's Rose"), a tribute to Princess Diana after her untimely death, is the biggest-selling single in the UK and the second-biggest selling single in music history (after Bing Crosby's "White Christmas"). · "Tiny Dancer" may or may not be about Bernie Taupin's wife, Maxine...quotes from Elton and Bernie contradict each other. · The biggest music stars in the world routinely show up at Elton John concerts to sing duets with the Rocket Man, including Lady Gaga, Miley Cyrus, George Michael, Bruce Hornsby, Lionel Richie, Mary J. Blige, Bryan Adams, Demi Lovato, Shawn Mendes, and many more, as well as Elton's legendary "dual" shows with Billy Joel · The background vocals for the song "White Lady White Powder" on the 21 at 33 album are sung by the Eagles. · The background vocals for the song "Cage the Songbird" on the Blue Moves album are sung by Graham Nash and David Crosby. (Stephen Stills must have been busy?) Elton John: Fifty Years On was written for ultimate Elton John fans. A browsing book, a reading book, a treasure trove of facts, trivia, insights, and commentary, it's the perfect companion to Elton leaving the Yellow Brick Road.
