Work Your Money, Not Your Life Nov 06 2020 Your all-in-one guide to getting your career and finances in order — for greater clarity, happiness, and peace of mind. Studies show that if you're like the majority of young professionals, you feel dissatisfied with your job, your finances, or your overall station in life. It can seem impossible to disentangle the work stuff, the money stuff, and the personal stuff, because they're all inextricably linked. But the good news is, you don't have to go at it alone: Work Your Money, Not Your Life is your all-in-one guide to achieving both your career and financial goals so that you can get where you want to be. In his debut book, Roger Ma, an award-winning financial planner and a publisher strategist at Google, offers secrets on how you can craft a meaningful career, gain financial comfort, and achieve a greater sense of purpose. And the premise behind it all is this: money affects every part of our lives. Simply by sorting out your personal finances (and it isn't as bad as it sounds!), you can build a foundation from which you'll be able to find the right career path, visualize your desired lifestyle, and turn your dreams into a reality. You'll learn how to: Relieve yourself of the work, money, and personal stressors that keep you up at night Dispel the job myths that are preventing you from a more rewarding career Apply the fundamentals of personal finance to your unique situation, without all the confusing jargon Prioritize and balance your career and money needs through exercises and easy-to-use templates, launching yourself on the path to the life satisfaction you desire When the life you're living and the life you want to live don't match up, everything feels off balance. Where do you begin trying to connect the dots? Start with this book. Through accessible, practical advice, you'll learn the career and financial strategies you need to live the life you deserve.

All That's Good Feb 28 2020 Winner of the 2018 TGC Book Award for Christian Living " And God saw that it was good... " Look out over the world today, it seems a far cry from God ' s original declaration. Pain, conflict, and uncertainty dominate the headlines. Our daily lives are noisy and chaotic—filled with too much information and too little wisdom. No wonder we often find it easier to retreat into safe spaces, hunker down in likeminded tribes, and just do our best to survive life. But what if God wants you to do more than simply survive? What if he wants you to thrive in this world, and be part of its redemption? What if you could rediscover the beauty and goodness God established in the beginning? By learning the lost art of discernment, you can. Discernment is more than simply avoiding bad things; discernment actually frees you to navigate the world with confidence and joy by teaching you how to recognize and choose good things. When you learn discernment and develop a taste for all that ' s good, you will encounter God in remarkable new ways. Come, discover the God who not only made all things, but who will also make all things good once again.

Society Of The Spectacle Jan 09 2021 The Das Kapital of the 20th century, Society of the Spectacle is an essential text, and the main theoretical work of the Situationists. Few works of political and cultural theory have been as enduringly provocative. From its publication amid the social upheavals of the 1960's, in particular the May 1968 uprisings in France, up to the present day, with global capitalism seemingly staggering around in it ' s Zombie end-phase, the volatile theses of this book have decisively transformed debates on the shape of modernity, capitalism, and everyday life in the late 20th century. This ' Red and Black ' translation from 1977 is Introduced by Notting Hill armchair insurrectionary Tom Vague with a galloping time line and pop-situ verve, and given a more analytical over view by young upstart thinker Sam Cooper.

Big Money Energy Feb 07 2021 National bestselling author and star of Bravo's Million Dollar Listing and Sell It Like Serhant shows readers how to restructure their approach to money so they can achieve success in business and life. Big Money Energy is the feeling you get when you encounter someone who is massively succeeding at life. They're the ultimate picture of self-confidence. There's no bravado, no bragging—they know they have BME and so does everyone else. You get Big Money Energy by being 100% committed to making your vision a reality . . . and that vision has to be BIG. Ten years ago, Ryan Serhant, billion dollar broker and costar of Million Dollar Listing New York was living paycheck-to-paycheck and didn't even own a suit. Serhant realized that

while he couldn't change his circumstances or the balance of his bank account, there was one thing he could change—his energy. The energy you give off impacts every area of your life, from how much money you earn and how much power you have, to who you socialize with and the jobs you get. Determined to leave his low-rent lifestyle behind forever, Serhant took life-changing steps that resulted in his getting cast on television, graduating to seven-figure sales, and doubling his income every year for the next decade. Serhant is now the CEO and Founder of SERHANT., a multi-dimensional real estate brokerage and media company, and averages a billion dollars in sales every year. In *Big Money Energy*, Serhant will show readers how he tapped into his Big Money Energy to crush his goals and achieve huge success, earning his first million before he turned thirty. Whether you're a self-made entrepreneur, a corporate executive or barista, Serhant will teach you how to climb the ladder to success better and faster than anyone else. If you want *Big Money Energy*, this is your blueprint. This book is an inspirational, lively guide for anyone who is ambitious enough to dream big and is committed to doing whatever it takes to conquer them.

Lord of the Flies Jun 01 2020 This dystopian classic is 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' 'One of my favorite books - I read it every couple of years.' Suzanne Collins, author of *The Hunger Games* What are we? Humans? Or animals? Or savages? What's grown-ups going to think? Going off-hunting pigs-letting fires out-and now! A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they explore the dazzling beaches, gorging fruit, seeking shelter, and ripping off their uniforms to swim in the lagoon. At night, in the darkness of the jungle, they are haunted by nightmares of a primitive beast. Orphaned by society, they must forge their own; but it isn't long before their innocent games devolve into a murderous hunt ... 'Thrills me with all the power a fiction can have ... Exemplary.' Ian McEwan 'An existential fable backlit with death's incandescent glare.' Ben Okri 'Violently real ... An apocalyptic novelist [who writes with] humanist rage and defiance.' Marlon James 'Beautiful and desperate, something quite out of the ordinary.' Stevie Smith 'Beautifully written, tragic and provocative.' E. M. Forster 'A fragment of nightmare.' *New Statesman* 'A post-apocalyptic, dystopian survivor-fantasy ... [A novel] for all time ... A cult classic.' *Guardian* 'Stands out mightily in my memory ... Such a strong statement about the human heart.' Patricia Cornwell 'Terrifying and haunting.' Kingsley Amis What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

What Should I Believe? Sep 04 2020 All religions promise to overcome death, but there's no set of religious or philosophical beliefs that ensures that life is always happy

and secure. Rowe, an eminent psychologist, explains it is possible to create a set of beliefs, expressed in the religious or philosophical metaphors most meaningful to people.

If You're Not First, You're Last Feb 19 2022 During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. *If You ' re Not First, You ' re Last* is about how to sell your products and services—despite the economy—and provides the reader with ways to capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in *If You ' re Not First, You ' re Last* include: Converting the Unsold to Sold The Power Schedule to Maximize Sales Your Freedom Financial Plan The Unreasonable Selling Attitude

Why Genes Are Not Selfish and People Are Nice Jul 15 2021 The modern world is dominated by ideas that are threatening to kill us: that life is one long battle from conception to grave; that all creatures, including human beings, are driven by their selfish DNA; that the universe is just stuff, for us to use at will. These ideas are seen as emerging from science and hard-nosed philosophy, and become self-fulfilling. They have led us to create a world in perpetual strife, that is unjust and in many ways precarious. This remarkable book by an experienced author and thinker argues there's another way of looking at the world that is just as rooted in modern science, and yet says precisely the opposite: that life is in fact cooperative; all creatures, including human beings, are basically nice; that there's more to the 'stuff' of the world than meets the eye. This book is both a powerful call to rethink our assumptions, and a message of hope for those who believe we're doomed to self-destruction.

12 Rules for Life Oct 25 2019 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human

nature, while transforming and ennobling the mind and spirit of its readers.

Big Money Energy Sep 28 2022 HOW TO DOMINATE, MAKE MILLIONS, AND GET ANYTHING YOU WANT "Serhant shows us it's not enough to just have goals, but to chase our dreams with a verve and joyous energy. Highly practical and infectiously fun." Mark Manson, NYT bestselling author of *The Subtle Art of Not Giving a F*ck* and *Everything is F*cked* "In *Big Money Energy*, Ryan Serhant shows readers that when positive energy is mixed with self-confidence and topped off with a heavy dose of hustle. . . anything can be achieved." Sophia Amoruso, NYT bestselling author of *#GIRLBOSS* *Big Money Energy* is the feeling you get when you encounter someone who is massively succeeding at life. They're the ultimate picture of self-confidence. There's no bravado, no bragging - they know they have BME and so does everyone else. You get *Big Money Energy* by being 100% committed to making your vision a reality... and that vision has to be BIG. Ten years ago, Ryan Serhant, billion dollar broker and co-star of *Million Dollar Listing New York* was living paycheque-to-paycheque and didn't even own a suit. He realized that while he couldn't change his circumstances or the balance of his bank account, there was one thing he could change - his energy. The energy you give off impacts every area of your life, from how much money you earn and how much power you have, to who you socialize with and the jobs you get. Determined to leave his low-rent lifestyle behind forever, Serhant took life-changing steps that resulted in his getting cast on television and doubling his income every year for the next decade. He is now the CEO and Founder of SERHANT., a multi-dimensional property brokerage and media company, and averages a billion dollars in sales every year. *Big Money Energy* shows you how he tapped into his *Big Money Energy* to crush his goals and achieve huge success, earning his first million before he turned thirty. Whether you're a self-made entrepreneur, a corporate executive or barista, Serhant will teach you how to climb the ladder to success better and faster than anyone else. If you want *Big Money Energy*, this is your blueprint. This book is an inspirational, lively guide for anyone who is ambitious enough to dream big and is committed to doing whatever it takes to conquer their goals.

Set for Life Jan 01 2023 Set yourself up for life as early as possible, and enjoy life on your terms By layering philosophy with practical knowledge, *Set for Life* gives young professionals the fiscal confidence they need to conquer financial goals early in life. Are you tied to a nine-to-five workweek? Would you like to "retire" from wage-paying work within ten years? Are you in your 20s or 30s and would like to be financially free the sort of free that ensures you spend the best part of your day and week, and the best years of your life, doing what you want? Building wealth is always possible, even while working full-time, earning a median income, and making up for a negative net worth. Accumulating a lifetime of wealth in a short period of time involves working harder and smarter than the average person, and Scott Trench--investor, entrepreneur, and CEO of *BiggerPockets.com*--demonstrates how to do just that. Even starting with zero savings, he demonstrates how to work your way to five figures, then to six figures, and finally to the ultimate goal of financial freedom. Wealth isn't just about a nest egg,

setting aside money for a "rainy day" or accumulating an emergency fund. True wealth is about building out a Financial Runway – creating enough readily accessible wealth that you can survive without work for a year. Then five years. Then for life. Readers will learn how to: Save more income--50+ percent of it, while still having fun Double or triple your income in three to five years Track your financial progress in order to achieve the greatest results Build frugal and efficient habits to make the most of your lifestyle Secure "real" assets and avoid "false" ones that destroy wealth

The Imperial Mode of Living Aug 23 2019 Our Unsustainable Life: Why We Can't Have Everything We Want With the concept of the Imperial Mode of Living, Brand and Wissen highlight the fact that capitalism implies uneven development as well as a constant and accelerating universalisation of a Western mode of production and living. The logic of liberal markets since the 19th Century, and especially since World War II, has been inscribed into everyday practices that are usually unconsciously reproduced. The authors show that they are a main driver of the ecological crisis and economic and political instability. The Imperial Mode of Living implies that people's everyday practices, including individual and societal orientations, as well as identities, rely heavily on the unlimited appropriation of resources; a disproportionate claim on global and local ecosystems and sinks; and cheap labour from elsewhere. This availability of commodities is largely organised through the world market, backed by military force and/or the asymmetric relations of forces as they have been inscribed in international institutions. Moreover, the Imperial Mode of Living implies asymmetrical social relations along class, gender and race within the respective countries. Here too, it is driven by the capitalist accumulation imperative, growth-oriented state policies and status consumption. The concrete production conditions of commodities are rendered invisible in the places where the commodities are consumed. The imperialist world order is normalized through the mode of production and living.

Dominance and Aggression in Humans and Other Animals Jan 21 2022 Dominance and Aggression in Humans and Other Animals: The Great Game of Life examines human nature and the influence of evolution, genetics, chemistry, nurture, and the sociopolitical environment as a way of understanding how and why humans behave in aggressive and dominant ways. The book walks us through aggression in other social species, compares and contrasts human behavior to other animals, and then explores specific human behaviors like bullying, abuse, territoriality murder, and war. The book examines both individual and group aggression in different environments including work, school, and the home. It explores common stressors triggering aggressive behaviors, and how individual personalities can be vulnerable to, or resistant to, these stressors. The book closes with an exploration of the cumulative impact of human aggression and dominance on the natural world. Reviews the influence of evolution, genetics, biochemistry, and nurture on aggression Explores aggression in multiple species, including insects, fish, reptiles, birds, and mammals Compares human and animal aggressive and dominant behavior Examines bullying, abuse, territoriality, murder, and war Includes nonaggressive behavior in displays of respect and tolerance

Highlights aggression triggers from drugs to stress Discusses individual and group behavior, including organizations and nations Probes dominance and aggression in religion and politics Translates the impact of human behavior over time on the natural world

The 40 Laws of the Alpha Male Jun 25 2022 Become the STRONGEST Version of Yourself Today!***BONUS*** FREE with any Download: "The 24 Tools I Used to Stop Giving A F%\$& What Other People Thought About Me and How to 'Level-Up' In Life!" [The Fourth Industrial Revolution](#) May 13 2021 The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be

unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

The Meritocracy Trap Jun 13 2021 A revolutionary new argument from eminent Yale Law professor Daniel Markovits attacking the false promise of meritocracy It is an axiom of American life that advantage should be earned through ability and effort. Even as the country divides itself at every turn, the meritocratic ideal – that social and economic rewards should follow achievement rather than breeding – reigns supreme. Both Democrats and Republicans insistently repeat meritocratic notions. Meritocracy cuts to the heart of who we are. It sustains the American dream. But what if, both up and down the social ladder, meritocracy is a sham? Today, meritocracy has become exactly what it was conceived to resist: a mechanism for the concentration and dynastic transmission of wealth and privilege across generations. Upward mobility has become a fantasy, and the embattled middle classes are now more likely to sink into the working poor than to rise into the professional elite. At the same time, meritocracy now ensnares even those who manage to claw their way to the top, requiring rich adults to work with crushing intensity, exploiting their expensive educations in order to extract a return. All this is not the result of deviations or retreats from meritocracy but rather stems directly from meritocracy 's successes. This is the radical argument that Daniel Markovits prosecutes with rare force. Markovits is well placed to expose the sham of meritocracy. Having spent his life at elite universities, he knows from the inside the corrosive system we are trapped within. Markovits also knows that, if we understand that meritocratic inequality produces near-universal harm, we can cure it. When *The Meritocracy Trap* reveals the inner workings of the meritocratic machine, it also illuminates the first steps outward, towards a new world that might once again afford dignity and prosperity to the American people.

Dominate Life Nov 30 2022 Are you afraid the clock is ticking but your life is standing still? How would you feel if you were stuck for another year'...Another five? Oh, hell no! So what are you waiting for?! Join Keara Palmay as she guides you through a step-by-step process to get clarity, find your passion, and live a life you love!

What Should I Believe? Oct 30 2022 Suddenly, in the twenty-first century, religion has become a political power. It affects us all, whether we're religious or not. If we're not in danger of being blown up by a suicide bomber we've got leaders to whom God speaks, ordering them to start a war. We're beset by people who demand that we give ourselves to Jesus while they smugly assure us of their own superiority and inherent goodness. We're surrounded by those who noisily reject science while making full use of the benefits science brings; by the 'spiritual' ones; the ones who believe in magic; and there's the militant atheists berating us all for our stupidity. We wouldn't object to what people believed if only they'd keep it to themselves. We want to make up our own minds about what we believe, but it's difficult to do this. Everyone has to face the dilemma that we all die but no one knows for certain what death actually is. Is it the end of our identity or a doorway to another life? Whichever we choose, our choice is a fantasy that determines the purpose of our life. If death is the end of our identity, we have to make this life satisfactory, whatever 'satisfactory' might mean to us. If it is a doorway to another life, what are the standards we have to reach to go to that better life? All religions promise to overcome death, but there's no set of religious or philosophical beliefs that ensures that our life is always happy and secure. Moreover, for many of us, what we were taught about a religion severely diminished our self-confidence and left us with a constant debilitating feeling of guilt and shame. Through all this turmoil comes the calm, clear voice of eminent psychologist Dorothy Rowe. She separates the political from the personal, the power-seeking from the compassionate. She shows how, if we use our beliefs as a defence against our feelings of worthlessness, we feel compelled to force our beliefs on to other people by coercion or aggression. However, it is possible to create a set of beliefs, expressed in the religious or philosophical metaphors most meaningful to us, which allow us to live at peace with ourselves and other people, to feel strong in ourselves without having to remain a child forever dependent on some supernatural power, and to face life with courage and optimism.

Private Government Dec 28 2019 Why our workplaces are authoritarian private governments—and why we can't see it One in four American workers says their workplace is a "dictatorship." Yet that number almost certainly would be higher if we recognized employers for what they are—private governments with sweeping authoritarian power over our lives. Many employers minutely regulate workers' speech, clothing, and manners on the job, and employers often extend their authority to the off-duty lives of workers, who can be fired for their political speech, recreational activities, diet, and almost anything else employers care to govern. In this compelling book, Elizabeth Anderson examines why, despite all this, we continue to talk as if free markets make workers free, and she proposes a better way to think about the

workplace, opening up space for discovering how workers can enjoy real freedom.

Fahrenheit 451 Sep 24 2019 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

How to Dominate in a Wicked Nation May 01 2020 "The Blessing God promised Abraham also belongs to you." Jonathan Shuttlesworth, Evangelist Abraham ' s righteousness and blessing were not obtained by his garments, the land where he lived, or the places he went. Abraham ' s righteousness and blessing were attained by faith. Faith in God and faith in His Word. That is how every overcomer lives, by the faith of Abraham. The Blessing God promised Abraham also belongs to you. When you activate God ' s Blessing through faith, it ' s impossible to get hung up on gender problems, racial divisions, or political agendas. Through the lessons learned from Abraham's life, you can prosper in a wicked nation. What politicians or world leaders think they have can NOT derail what God has given you. What you have, what lives inside of you, can overcome everything set against you. Let ' s get started! About the Author: Jonathan Shuttlesworth is an evangelist and founder of Revival Today, a ministry dedicated to reaching lost and hurting people with the Gospel of Jesus Christ.

The Wealthy Gardener Mar 23 2022 A heartwarming series of stories and practical wisdom on entrepreneurship and wealth in the vein of Rich Dad, Poor Dad, written by a financially independent father for his ambitious son. Soon after he opened his vineyard for business many years ago, the Wealthy Gardener noticed a puzzling fact. Everyone wanted money, but only a few people managed to accumulate it. The reason, he realized, is that most people focus on short term gains instead of achieving lasting wealth. As he grew old and aware of his dwindling time on this Earth, the Wealthy Gardener began to share his hard-earned wisdom with the financially troubled in his community, patiently mentoring those who asked for his practical advice on the ways of prosperity. The parable of the Wealthy Gardener is far more than an admonishment to earn more or spend less; it is about timeless principles. As his lessons reveal, financial freedom is a means to power and control over our lives. Without money, we are subject to the demands and whims of others. With money, we are sheltered from the storm, and we can extend that shelter to our loved ones. Poised to become an intimate financial classic, The Wealthy Gardener will inspire readers to find their own noble purpose and relieve their money worries once and for all. No matter your income level, skillset, or unique economic disadvantages, the lessons in this book will show you the path forward. All you need is the will to work, the desire to succeed, and the motivation to learn.

Normal People Mar 30 2020 NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES
• NEW YORK TIMES BESTSELLER • “ A stunning novel about the transformative power of relationships ” (People) from the author of Conversations with Friends, “ a master of the literary page-turner ” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O:

The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country
Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they 're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can 't. Praise for *Normal People* “ [A] novel that demands to be read compulsively, in one sitting. ” —The Washington Post “ Arguably the buzziest novel of the season, Sally Rooney 's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance. ” —The Wall Street Journal “ [Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I 've read. ” —The New Yorker

The Buddha and the Badass Aug 16 2021 NEW YORK TIMES, USA TODAY, AND #1 WALL STREET JOURNAL BESTSELLER • Forget hustling. This book, from the author of *The Code of the Extraordinary Mind*, will disrupt your deeply held beliefs about work, success, and, indeed, life. If you 're the average person in the developed world, you spend 70 percent of your waking hours at work. And if you 're the average person, you 're miserable for most of those hours. This is simply not an acceptable state of affairs for your one shot at life. No matter your station, you possess incredible unique powers. It 's a modern myth that hard work and hustle are the paths to success. Inside you is a soul. And once you unleash it fully into the domain of work, magic happens. Awakening the Buddha and the Badass inside you is a process that will disrupt the way you work altogether. You 'll gain access to tools that bend the very rules of reality. • The Buddha is the archetype of the spiritual master. The person who can live in this world but also move with an ease, grace, and flow that comes from inner awareness and alignment. • The Badass is the archetype of the changemaker. This is the person who is out there creating change, building, coding, writing, inventing, leading. The badass represents the benevolent disruptor—the person challenging the norms so we can be better as a species. Once you integrate the skill sets of both archetypes, you will experience life at a different level from most people. You will operate from a space of bliss, ease, inspiration, and abundance. *The Buddha and the Badass: The Secret Spiritual Art of Succeeding at Work* will show you how. Author of the New York Times bestseller *The Code of the Extraordinary Mind* and founder of Mindvalley, Vishen Lakhiani has turned his own life and company into his research lab. He 's codified

everything he ' s learned into the how-to steps in this book. The Buddha and the Badass teaches you how to master your work and your life.

Be Obsessed or Be Average Sep 16 2021 From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else ' s version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

Conquer Jul 03 2020

Things Fall Apart Aug 04 2020 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Unstoppable Oct 18 2021

The Life of Alcibiades Nov 18 2021 This biography of Alcibiades, the charismatic Athenian statesman and general (c. 450–404 BC) who achieved both renown and infamy during the Peloponnesian War, is both an extraordinary adventure story and a cautionary tale that reveals the dangers that political opportunism and demagoguery

pose to democracy. As Jacqueline de Romilly brilliantly documents, Alcibiades's life is one of wanderings and vicissitudes, promises and disappointments, brilliant successes and ruinous defeats. Born into a wealthy and powerful family in Athens, Alcibiades was a student of Socrates and disciple of Pericles, and he seemed destined to dominate the political life of his city—and his tumultuous age. Romilly shows, however, that he was too ambitious. Haunted by financial and sexual intrigues and political plots, Alcibiades was exiled from Athens, sentenced to death, recalled to his homeland, only to be exiled again. He defected from Athens to Sparta and from Sparta to Persia and then from Persia back to Athens, buffeted by scandal after scandal, most of them of his own making. A gifted demagogue and, according to his contemporaries, more handsome than the hero Achilles, Alcibiades is also a strikingly modern figure, whose seductive celebrity and dangerous ambition anticipated current crises of leadership.

The Path to Wealth Oct 06 2020 Many people bring spiritual practices into every aspect of their lives--except the boardroom! But spiritual guidance can be used just as easily to help fill the bottom line as it does to fill our hearts and souls. In The Path to Wealth, entrepreneur May McCarthy will show you how to create a true financial partnership with the all-knowing power in the universe that she calls your Chief Spiritual Officer, or "CSO." This is not a dogmatic book; McCarthy encourages you to partner with a higher power of your own understanding, but she is insistent on one point: this power is within you and it knows what must happen for you to receive what you want. In this book you'll learn the job descriptions for both yourself and your CSO, and you'll have a daily road map to help you achieve your financial goals. As you practice these steps daily, you will experience seeming miracles that you never thought possible, all with less effort and more fun. Once you decide what you want, it's the CSO's job to create the path to get you the goods you've defined. Your job is to follow each step in this daily practice and watch as the benefits you want unfold.
