**Wooden Ships; Iron Man** Nov 26 2019 This is the story of a man who left Germany in the 1890's at age 18, signed on as a crew member of a sailing ship then traveled the world finally settling in Seattle, WA. Then as sailing ships gave way to steam, he made that transition. As he moved, he sent postcards to Germany leaving a trail of breadcrumbs marking his location. Each postcard was postmarked thereby revealing the date. Later in years he recounted his adventures to his grandson who obtained the postcards from Germany and tracked his grandfather's travels then combined that with the stories grandfather told him.

**Lion Hearted** Nov 06 2020 "Until the lion has its own storyteller, tales of the lion hunt will always glorify the hunter." —Zimbabwean proverb In 2015, an American hunter named Walter Palmer shot and killed a lion named Cecil. The lion was one of dozens slain each year in Zimbabwe, which legally licenses the hunting of big cats. But Cecil's death sparked unprecedented global outrage, igniting thousands of media reports about the peculiar circumstances surrounding this hunt. At the center of the controversy was Dr. Andrew Loveridge, the zoologist who had studied Cecil for eight years. In *Lion Hearted*, Loveridge pieces together, for the first time, the fascinating life and murky details of this beloved lion's slaying. In the tradition of *Born Free* and *Gorillas in the Mist*, *Lion Hearted* chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked, often from birth to death. Born and raised in Zimbabwe, Loveridge learned to love predators at the knee of his father, an eminent herpetologist who stored baby crocodiles in the family bathtub. After earning his doctorate at Oxford, he seized an invitation to study the lions of Zimbabwe's Hwange National Park. There he meets Stumpy Tail, who, despite her name, has the dignity of the Queen of the Animal Kingdom; Dynamite, a venerable coalition leader who, muscled out by younger males, sets off on an incredible thirty-seven-day, 137-mile journey to find a new home; and Kataza, who escapes another lion's claws, and whom Loveridge twice saves from death at the hands of humans. And, of course, there is Cecil. Dethroned in an epic battle, he forms an alliance with a former rival. He also becomes a favorite of photographers and tourists—until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal. Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world. Despite their ruthless reputation, lions can form deep emotional bonds—females live in prides, a sisterhood of mothers, daughters, sisters, and aunts that can exhibit military precision when hunting in formation; males band together in coalitions to vie for control of

territory and the female prides. They also display a wide range of emotional behavior, including mourning the loss of their mates, partners, and cubs. Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years. There may now be as few as 20,000 wild lions across the entire continent—far fewer than the number of elephants. While deploring the killing of lions for sport, Loveridge does not believe that banning trophy hunting, by itself, will halt the decline of Africa's lion populations. He sees greater threats in human population growth, the loss of habitat to agriculture, and the illegal trade in lion body parts for use in traditional medicines. And he offers concrete proposals for averting the lion's extinction. More than a gripping detective story, *Lion Hearted* is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing. "Lions are one of the most beloved animals on the planet," Loveridge observes. "They are the national symbol of no fewer than fifteen countries. . . . Surely, we can think of a better way to save the wild animals we love besides killing them."

**The Great Plateau of Northern Rhodesia** Aug 04 2020 Excerpt from *The Great Plateau of Northern Rhodesia: Being Some Impressions of the Tanganyika Plateau* And, in inverse ratio to this depreciation of glamour, the output of literature dealing with the sub-continent increases. Every month witnesses many additions to the bibliography of Africa - almost every year some new society springs into being, avowedly constituted to drag from the unfortunate land whatever rags may yet remain of its mantle of pristine mystery. As a natural consequence, almost every new volume bearing upon African affairs opens with an apology. Let us, at least, be original upon this point if upon no other, and, waiving apology, preface our work with the statement that an urgent need exists for some exposition of the conditions which govern life upon the Southern Tanganyika Plateau at the present day. **Chosen by Fate, Rejected by the Alpha** Feb 28 2020 Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

*The Torah* Sep 28 2022 The groundbreaking volume *The Torah: A Women's Commentary*, originally published by URJ Press and Women of Reform Judaism, has been awarded the top prize in the oldest Jewish literary award program, the 2008 National Jewish Book Awards. A work of great import, the volume is the result of 14 years of planning, research, and fundraising. **THE HISTORY:** At the 39th Women of Reform Judaism Assembly in San Francisco, Cantor Sarah Sager challenged Women of Reform Judaism delegates to "imagine women feeling permitted, for the first time, feeling able, feeling legitimate in their study of Torah." WRJ accepted that challenge. *The Torah: A Women's Commentary* was introduced at the Union for Reform Judaism 69th Biennial Convention in San Diego in December 2007. WRJ has commissioned the work of the world's leading Jewish female Bible scholars, rabbis, historians, philosophers and archaeologists. Their collective efforts resulted in the first comprehensive commentary, authored only by women, on the Five Books of Moses, including individual Torah portions as well as the Hebrew and English translation. *The Torah: A Women's Commentary* gives dimension to the women's voices in our tradition. Under the skillful leadership of editors Dr. Tamara Cohn Eskenazi and Rabbi Andrea Weiss, PhD, this commentary provides insight and inspiration for all who study Torah: men and women, Jew and non-Jew. As Dr. Eskenazi has eloquently stated, "we want to bring the women of the Torah from the shadow into the limelight, from their silences into speech, from the margins to which they have often been relegated to the center of the page - for their sake, for our sake and for our children's sake."

*In a Pit with a Lion on a Snowy Day* Feb 07 2021 Your greatest regret at the end of your life will be the lions you didn't chase. You will look back longingly on risks not taken, opportunities not seized, and dreams not pursued. Stop running away from what scares you most and start chasing the God-ordained opportunities that cross your path. *In a Pit with a Lion on a Snowy Day* is inspired by one of the most obscure yet courageous acts recorded in Scripture, a blessed and audacious act that left no regrets: "Benaiah chased a lion down into a pit. Then, despite the snow and slippery ground, he caught the lion and killed it" (2 Samuel 23:20-21). Unleash the lion chaser within! What if the life you really want, and the future God wants for you, is hiding right now in your biggest problem, your worst failure...your greatest fear? *Story Behind the Book* "Our best days often start out as our worst days. And our greatest opportunities are often disguised as our biggest problems. You can land in a pit with a lion on a snowy

day, and it will seem like the end of the road. But God is in the recycling business. He recycles past experiences and uses them to prepare us for future opportunities. That is the story of my life. And that is the story of your life. Look in the rearview mirror long enough and you'll see that God has purposely positioned you everywhere you've been—even when it seemed you'd taken a wrong turn.” —Mark Batterson

**The Book of the Lion** Oct 18 2021 On Safari, B.E.A., 16th October 1909. To Sir Alfred E. Pease. Dear Sir Alfred,—I am very much pleased that you are to write a book about lion-hunting. Very, very few people have an experience which better justifies such a book. It is the king of all sports when carried on as you have carried it on, especially when you gallop the lion, and then kill him on foot as he charges or prepares to charge as a lion thus rounded up will generally do. I am peculiarly pleased to have you write the book, for it was under your guidance that I first tried lion-hunting. Sincerely yours, Theodore Roosevelt. This hunting classic contains the following chapters: Foreword by Theodore Roosevelt I. Lions and Lion Land II. About Courage III. Of the Courage of Lions IV. Of Dangerous Game V. Of Sport VI. The Lion VII. The Distribution of Lions VIII. Lion Cubs and Tame Lions IX. The Haunts of Lions X. The Lion's Voice and the Lion's Eye XI. Some Ways of Lions XII. In the Lion's Jaw XIII. The Food and Drink of Lions XIV. Lion-Hunting XV. Hunting with Dogs and Hunting with Horses XVI. Night-Shooting XVII. Hints for the Beginner

The Love of a Lycan Aug 23 2019 Download Webnovel and chereads to read The Love of a Lycan A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. \*\*\* He stopped the car. The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. "Don't." He said firmly, "I want to see you, don't hide yourself..." \*\*\*\*\* "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!?" Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate."

Falling in Love with the King of Beasts Aug 16 2021 Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He promises her every comfort of his wealth and position—but he is clear: She will not warm his bed. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] \*\*\*\*\* He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. "Wh-who are you?" Elia stammered, backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. "I am the

Leonine King.” His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. “And you are?” “Elia,” she breathed. “Elia,” he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. “I am Reth.” He said the name with a strange, guttural roll in his throat. “I am King of Beasts. I am Clan Leader, and I am Alpha of WildWood.” Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. “I am the King,” he said, “And you will be my mate.” The forest behind him erupted. (Cover Art used by permission. **Image and Concept** Jul 03 2020 First published in 1997. *Image and Concept: Mythopoetic Roots of Literature* here - finally - available in English, is devoted to the origins of Greek tragedy. In it, Freidenberg develops the notion that it was the very transition from thinking based on mythological images to the kind of thinking that makes use of formal-logical concepts that resulted in the appearance of literature. With the transition from mythological thinking to conceptual thought, the content of mythological images became the texture of the new concepts. The inherited mythological forms now were reinterpreted conceptually: causalized, ethicized, generalized, abstracted. This reinterpretation, in turn, brought about poetic figurality. Folkloric material began to be differentiated from the mythological images of the past into various disciplines such as religion, philosophy, ethics, literature, and art. Yet, differentiated and reinterpreted as it was, the folkloric material remained formally preserved in poetic image, structure, and plot.

*History of Indian Buddhism* Oct 25 2019 The History of Indian Buddhism is undoubtedly Msgr. E. Lamotte's most brilliant contribution to the field of Buddhist exegesis. The work contains a vivid, vigorous and fully-detailed description of early Buddhism and its teachings, the material organization of the Community, the formation and further developments of the writings, the conciliar traditions, the evolution of Buddhist sculpture and architecture, the origins of the sects, the Buddhist dialects and the constitution of the legends, and sets them in the historical background in which buddhist doctrines originated and expanded in India and in the neighbouring countries. Using the material evidence provided by Indian epigraphy and archaeological remains on the one hand, and taking into account the data supplied by Western (Latin and Greek) and Far Eastern (Tibetan and Chinese) sources on the other, Msgr. E. Lamotte has succeeded in producing a lucid and basic book that is unanimously considered as a classic of contemporary Buddhist studies. After thirty years, the work has retained all its value, but, in order to meet the requirements of recent Buddhist scholarship, the History of Indian Buddhism has been supplemented with an additional bibliography, an index of technical terms and revised geographical maps.
