Gloria in the Cross May 08 2021 The principal liturgies of Holy Week underwent a series of revisions between 1951 and 2011. In this book, noted liturgist Paul Turner charts the rubrics and prayers of the current rites paragraph by paragraph, explaining the historical development of individual components, how and why the post-Vatican II liturgical reform made its revisions, and where the Roman Missal, Third Edition has added nuances. This book will help ministers, liturgists, catechists, and all the faithful enter more deeply into the mystery of the cross of Christ, their glory and their hope.

Excerpts from the Roman Missal Aug 11 2021 Excerpts from the Roman Missal (also known informally as the "Book of the Chair") represents a worthy and welcome solution to a commonly voiced concern: The Roman Missal is a large and heavy book, difficult for altar servers (who are often children) to hold for the celebrant and to carry around the sanctuary. Developed by the United States Conference of Catholic Bishops and approved by the Vatican, Excerpts includes only those texts of the Missal that are used by the celebrant at the chair. The resulting volume is approximately half the size of the full Missal. The Liturgical Press edition of Excerpts is published with the same high quality and standards as our Roman Missal. It features: - a rich, durable, deep-red cloth cover embellished with Christ enthroned, rendered in a distinguished, bold style and foil stamped in gold and silver; - beautiful illustrations by renowned liturgical artist, Br. Martin Erspamer, OSB; - prayer texts set in readable, easy-to-proclaim type on natural ivory quality paper; - three sturdy grosgrain ribbon bookmarks to enhance ease-of-use by celebrants; - gilded page edges that further esteem the text visually.

[A Commentary on the General Instruction of the Roman Missal](#) Jul 30 2020 "The 2002 Institutio Generalis Missalis Romani (IGMR) comes at an important moment in the history of Roman Catholicism. The concerns now are about what norms best articulate the liturgical vision embedded in the documents of Vatican II, and what directives are most appropriate for shaping the full, active, and conscious participation of the faithful." "This commentary by members of the Catholic Academy of Liturgy is attentive to all these concerns. While maintaining a balanced view of the revisions, the authors provide analysis of the theological, pastoral, and ecclesial implications of the 2002 IGMR."--Jacket.

The Prayers of the New Missal Jun 28 2020 After the publication of The Roman Missal, Third Edition, much attention was given to the catechesis of the clergy and the faithful on the Order of Mass, which contains the chief theological and spiritual elements of the eucharistic celebration. In The Prayers of the New Missal, Anscar J. Chupungco expands the reader's focus to the other parts of the Mass--namely, the orations or the Collect, Prayer over the Offerings, Prayer after Communion, and Prayer over the People. He demonstrates that these elements, too, are a rich source of doctrine and spirituality waiting to be shared with others through homily and catechesis. Preachers and catechists will especially appreciate Father Chupungco's recommendations for approaching the difficult and sometimes vexing structure and vocabulary of the new Missal. He offers helpful exercises for analyzing the Latin texts, comparing the original and the English versions, and crafting provisional literal translations that will aid in easier comprehension. Finally, he concludes with an ample sampling of homiletic and catechetical notes that will serve as a rich source of nourishment for preaching and catechesis. Anscar J. Chupungco, OSB, who passed away in 2013, was a member of the Abbey of Our Lady of Montserrat in the Philippines. He was president of the Pontifical Liturgical Institute in Rome and is currently director of Paul VI Institute of Liturgy in the Philippines. In 2011, the Federation of Diocesan Liturgical Commissions presented to him the Frederick R. McManus Award for his contribution to pastoral liturgy. He authored many books, including What, Then, Is Liturgy? Musings and Memoir (Liturgical Press, 2010).

With One Spirit Apr 07 2021 Commemorating the fiftieth anniversary of the promulgation of The Roman Missal (1970), With One Spirit embarks on a significant investigation into the history of this text and the principles that impacted its development. In particular, Lamberts examines whether and how The Roman Missal encourages the active participation of the faithful in the liturgy demanded by the Second Vatican Council. Considering this pastoral and theological context, With One Spirit offers a commentary of the possibilities and limitations of the Missal's encouragement of active participation, and formulates suggestions and improvements to realize true communal Eucharistic celebrations.

Collects of the Roman Missals Feb 05 2021 This study examines how the present liturgical texts are like and unlike those used by earlier generations, and therefore how the present generation of Roman Catholics may be different on their account. The precise form that the textual examination takes in each of the proper seasons, etc., depends upon the mix of retained, replaced, and edited collects. In every case, the author works with the Latin originals and the accompanying translations are her own. The entire project has three main steps: to examine each liturgical season to see how the spiritual and theological emphases of its collects have changed; to determine what these changes mean for the year as a whole; to evaluate the effect of the changes on the way that contemporary Catholics experience and live Christian faith. The work is important not simply for a better understanding today's and tomorrow's Catholics, but also for a correct understanding of our present Liturgy and its place in the western liturgical tradition.
