The eight-year-old Princess Irene is lonely in her castle that sits on a mountain. She has only her nursemaid, Lottie, for company. She discovers a secret, and soon she overhears a fiendish plot by some goblins. Can she foil their plans? George MacDonald 's fairy tale "The Princess and the Goblin" is one of the first books in the modern fantasy genre. George MacDonald (1824-1905) was a Scottish author, poet and Christian minister. A pioneer of fantasy literature, he was the mentor of Lewis Carroll. Among his notable works are "Phantastes" (1858), "David Elginbrod" (1863), "At the Back of the North Wind" (1871), "The Princess and the Goblin" (1872), and "Lilith" (1895). What child can resist imitating a chimp brushing its teeth back and forth? Or a shark that flosses every day? Youngsters will have lots of fun learning about proper dental hygiene in this delightful pop-up book. What child can resist imitating a chimp brushing its teeth back and forth? Or a shark that flosses every day? Youngsters will have lots of fun learning about proper dental hygiene in this delightful pop-up book. A delightful way of teaching your child how to count up to 10. Each picture is sure to bring a smile to your face. Your child can also have the added fun of counting the rabbits along the way. Almost every parent sooner or later faces a situation

when their child asks for a pet. We all understand that the greater part of responsibilities regarding caring for the animal will be on the adults. That is why in this book we have tried to help parents with answers on many questions connected with being a parent and a pet owner.

“ [A]nother hilarious essay collection from Phoebe Robinson. ” —The New York Times Book Review “ Strikes the perfect balance of brutally honest and laugh out loud funny. I didn ’ t want it to end. ” —Mindy Kaling, New York Times bestselling author of *Why Not Me?* With sharp, timely insight, pitch-perfect pop culture references, and her always unforgettable voice, New York Times bestselling author, comedian, actress, and producer Phoebe Robinson is back with her most must-read book yet. In her brand-new collection, Phoebe shares stories that will make you laugh, but also plenty that will hit you in the heart, inspire a little bit of rage, and maybe a lot of action. That means sharing her perspective on performative allyship, white guilt, and what happens when white people take up space in cultural movements; exploring what it ’ s like to be a woman who doesn ’ t want kids living in a society where motherhood is the crowning achievement of a straight, cis woman ’ s life; and how the dire state of mental health in America means that taking care of one ’ s mental health—aka “ self-care ” —usually requires disposable money. She also shares stories about her mom slow-poking before a visit with Mrs. Obama, the stupidly fake reassurances of zip-line attendants, her favorite things about dating a white person from the UK, and how the lack of Black women in leadership positions fueled her to become the Black lady boss of her dreams. By turns perceptive, laugh-out-loud funny, and heartfelt, *Please Don ’ t Sit on My Bed in Your Outside Clothes* is not only a brilliant look at our current cultural moment, it's also a collection that will stay with readers for years to come. A war correspondent recounts his love affair with a mysterious older Japanese woman in 1959, when he served as a sailor aboard the USS Shangri-La. *WRITING TO PLEASE YOUR BOSS* shows you how to take control of the "politics" of the writing process. It is designed for non-professional writers whose jobs require them to write reports, proposals, & memoranda. *WRITING TO PLEASE YOUR BOSS* covers such topics as: Determining what your boss really wants; Completing 90 per cent of the job in the first draft; Using graphics effectively to put sparkle in your report; Working with a committee & achieving positive results; Coping with unreasonable deadlines (and unreasonable bosses!); Handling conflicting directions from management with "Win-win" results. Many managers who are not professional writers equate writing with the fear & trepidation experienced before a trip to the dentist's office. Writing should be fun, not a hassle, & *WRITING TO PLEASE YOUR BOSS* takes the fear & loathing out of the writing process. Written by renowned corporate writing consultants Elizabeth Cohn & Susan Kleimann. A supplementary diskette with forms & activities keyed to the book is available from the publisher for \$14.90. In this world, we have weather forecasters who warn us of upcoming storms. They tell us of how the storm happened, where it is located, and how to prepare. God has his weather forecasters as well. They are called prophets. They hear God ’ s voice and tell others what he wants them to know, so they will prepare. After you read this book, you may have a better understanding of what is going on today. And you can choose to live with purpose, preparing your loved ones and yourself for what God is saying that is coming. A simple and bold 8.25 x 6 inch (landscape orientation) soft cover autograph notebook with 50 boxed pages (blank on the back) and an eye-catching cover that doubles as a sign to get the attention of your favorite famous person (back also reads: BIGGEST FAN). "I have the worst birth defect a woman can have: I was born with a penis and a pair of testicles." Thus we meet Hera, who shares her reason for starting psychoanalysis and whose statement

embodies the debate over transgenderism, rigorously dissected in *Please Select Your Gender*. Is it a mental disorder, as some would claim, or a matter of sexual identity? An orientation or a life choice? Despite differing opinions, transgenderism has lost much of its stigma over the past decade or so – though perhaps none of its shock value. Nevertheless, the door is open for a reformulation of the hysterical question, "Am I a man or a woman?" Utilizing rich clinical vignettes and elements of Lacanian theory, Patricia Gherovici demonstrates how the transgender discourse has both reoriented psychoanalytic practice and reframed debates about gender in American society at large. She traverses historical, theoretical, and clinical grounds to explore what has been termed the "democratizing of gender" – for what could be more democratic than the choice of one's own gender, now able to be changed on demand? Arguing for the depathologization of transgenderism, *Please Select Your Gender* aims to revise current notions of human sexuality in general. In doing so, it challenges the theory and practice of psychoanalysis with questions typically addressed only indirectly, but which are themselves transforming how analysis is done, advancing new ideas for the clinic that can be extrapolated to social and intellectual contexts in an effort to engage the broader dialogues of gender and sexuality. Five different animals show how they like to enjoy their food at dinnertime, and pop-up parts encourage readers to experience how the animals eat. A woman is crowned 'She' to be ethereal. A man is tagged 'He' to be powerful. Why then is the transgender named 'nine' to be humiliated? It is a period of time of forgetting what society is and the role of human beings in it. Not everything that happens in society is a feast for the eyes. *Your Kind Attention Please* is a collection of poems where everything heard by the ears, seen with the eyes and deeply buried into the heart is poured into words at the tip of the pen for your kind attention. At every edge of diction, the pains and sufferings of the victims are well manifested. Some lines make water droplets on the side of the eyes and some lines make a smile on the corner of the mouth with scrutiny. One can understand by reading this that all these are staged by human beings. Although the book appears to be a clip of what was said, it is said that everything said is true. The only way to a man's heart is through his stomach. Many have heard this, yet we do nothing about it. Take it from me! In this fast paced world we hardly have the time to take care of our bills let alone our significant others. Men are simple creatures and have simple needs. Grab a copy of this book today! Try out some of the recipes. And if you're not completely satisfied you can return it with Amazon's no hassle, no question policy. I've put together a list of some of my husbands favorite dishes. Hope you enjoy! Stay tuned for book 2

Why did independent Singapore celebrate two hundred years of its founding as a British colony in 2019? Why did it do so with a history dating from 1299? And what are the possibilities of doing decolonial history in Singapore? *Raffles Renounced: Towards a Merdeka History* presents essays by historians, literary scholars and artists which grapple with these questions. The volume also reproduces some of the source material used in the play *Merdeka* (Wild Rice, 2019). Taken together, the book shows how the contradictions of independent nationhood haunt Singaporeans' collective and personal stories about Merdeka. It points to the need for a Merdeka history: an open and fearless culture of historical reckoning that not only untangles us from colonial narratives, but proposes emancipatory possibilities. Reveals men's fantasies and provides exercises to increase seduction skills and strategies. From the publisher of the NextDraft newsletter comes a cathartic and humorous ride through the unnerving, maddening hellscape of the 2020 press cycle, reestablishing the line between "real" news and real life. Please lower your shoulder restraint and keep your hands and feet in. You're about to board a roller coaster ride

through a year that was at once laughable and lethal. If you've got an anti-anxiety prescription, now would probably be a good time to call in a refill. Please Scream Inside Your Heart is a time capsule; a real-time ride through the maddening hell that was the 2020 news cycle—when historic turmoil and media mania stretched American sanity, democracy, and toilet paper. Who better to examine this unhinged period in all of its twists and turns than news addict Dave Pell, aka the internet's Managing Editor? Fueled by the wisdom and advice of his two Holocaust-surviving parents, for whom parts of this story were all too familiar, Pell puts the key stories of 2020 into context with pith and punch; highlighting turning points that widened America's divisions, deepened our obsession with a media-driven civil war, and nearly knocked the country off its tracks. Pell also examines the role of technology in society—and how we somehow built the exact opposite of what we thought we were building. Why did the lies spread faster than the truth? How did our tech addiction contribute to the nightmare? Why do you feel a vibration in your pocket right now? In 2020, the news was everywhere, and everything was political—even the air we breathed. So brace yourself as you're hurtled through the twists and turns of the corkscrewiest year in American history; one that included two impeachment trials, a global pandemic, Black Lives Matter, the biggest election of a lifetime, a slide towards autocracy, and a warning from the makers of Lysol not to drink their products. So... the story of my life. I've often thought about this moment, about what it would be like to write my memoirs. I always thought it would make me feel important. It doesn't. If anything it makes me feel a little strange. The truth is, I should never have been this famous guy. I wasn't the cool, clever, good-looking boy at school. But I always dreamt of it, hoped for it, longed for it: throughout school when I was disruptive, in my teens when I tried to form my own boy band and through hundreds of auditions for parts which were met with constant rejection. Until finally I co-wrote Gavin and Stacey. And my whole life changed. This is that story. The story of how I found myself here, talking to you. "Part-time model Shangguan Yuxiang accidentally transmigrated to become the Second Miss of a great clan with a beautiful face. He looked the same, and had the same personality, and when he saw a handsome guy, he couldn't help but call him Brother Brother Xuan." Part-time model Shangguan Yuxiang accidentally transmigrated to the Second Miss of a great clan with a beautiful face, and he looked the same. This was because the Ancient Spirit Essence Monsters were deeply fond of the Emperor, but they had attracted the jealousy of the imperial concubines. They didn't do anything at all, and if you want to play, This Miss will play with you until the end." In the palace, the emperor actually began to paint his majesty as a Pig Head, and began to play gardening, setting up a stage, and making costumes. The imperial concubine was dazzled, the imperial consort was arrogant and spoiled, the imperial concubine was difficult to deal with and the empress dowager couldn't bear to see herself. It doesn't matter, my Miss Shangguan has to turn over the tables." "Off with her head!" yells the Queen of Hearts, one of the many peculiar creatures Alice encounters after falling down a rabbit hole and into an absurd fantasy world of Mad Tea Parties, nonsensical trials, and talking animals. Published In 1865, Alice's Adventures in Wonderland became an instant success, and author Lewis Carroll broke ground with his unique take on children's stories: Instead of the overly simplistic and sometimes dry tales that characterized the genre in the Victorian age, Carroll introduced a book that didn't look down on its audience, and one that – to this day – is enjoyed by children and adults alike. Alice's Adventures in Wonderland has been translated into 176 languages, and adapted to the screen close to 20 times, most notably by Tim Burton in the 2010 feature film that saw Mia Wasikowska as Alice and Helena Bonham Carter as the

unforgettable Queen of Hearts. Lewis Carroll, pseudonym of Charles Lutwidge Dodgson, (1832-1898), was a British mathematician, photographer, and children's book author. The idea for his most famous work, 'Alice's Adventures in Wonderland', came to Carroll when he was on a boat with friends, having to entertain three young girls, one of whose name was Alice. Despite his success as a children's book author, Carroll considered himself, first and foremost, a man of science and mathematics. Toby Potts has just qualified as a barrister and is about to embark on a career in one of the world's oldest professions. Stirring speeches to rapt juries, triumphant press interviews and enormous fees paid by grateful clients. he can see it all. But unfortunately, he has reckoned without Judge 'Bonkers' Clarke, The Honourable Mr 'Sourpuss' Boniface and a range of other equally terrifying, grumpy and borderline insane judges - not to mention tricky solicitors, bent coppers and dodgy defendants. The only way to a man's heart is through his stomach. Many have heard this, yet we do nothing about it. Take it from me! In this fast paced world we hardly have the time to take care of our bills let alone our significant others. Men are simple creatures and have simple needs. Grab a copy of this book today! Try out some of the recipes. And if you're not completely satisfied you can return it with Amazon's no hassle, no question policy. I've put together a list of some of my husbands favorite dishes. Hope you enjoy! Stay tuned for book 2
