Valley and Catskills are destinations New Yorkers can't get enough of. Unlike typical travel guides, *Easy Weekend Getaways in the Hudson Valley & Catskills* ditches the well-worn antiquing, golfing, and family-friendly activities for a focus on what's really drawing creative and trend-forward travelers up north—experimental art, incredible agriculture, action-packed outdoor adventures, artisanal producers and makers, bizarre and fascinating historical attractions, rustic-chic bed and breakfasts, holistic retreats, and more, all hidden within a stunning landscape that delights year-round. While these regions continue to gain popularity with city-dwellers, trying to make a break for it has always been a complicated DIY process. This guide takes the work out of piecing together an itinerary so that overworked travel-obsessives can get the most out of their precious time off with these curated upstate getaways. Every woman has at some point felt overwhelmed,

overworked, and overtired. She knows she'd feel better if she could just organize her office, get her butt to a yoga class, or finally plan that vacation she's been desperate to take. However, the idea of taking an afternoon or even a few hours for herself seems selfish. Jill Martin and Dana Ravich argue that "me" time is essential to living a more balanced, stress-free life, and show readers how to do this without feeling guilty. Packed with entertaining anecdotes and sprinkled with clever illustrations, *Weekend Makeover* offers a collection of life-altering makeovers for body, mind, and spirit that can be accomplished in just 48 hours, such as: *The Relaxation Makeover*, *The Romance Makeover*, *The Clutter Makeover*, and *the Refrigerator Detox Makeover*. Each makeover tackles not only the nitty gritty details (like how to stock one's pantry with nutritious essential or the best ways to get rid of old paperwork), it also guides readers into the right mindset

to make the changes stick so that all it takes is one weekend to make, execute, and apply a foolproof plan to get life on track by Monday morning. Each chapter's itinerary is a new adventure. Take to the road and explore the other Northern California, with its rugged beauty, small-town ambience, and, of course, all that wine. —Paula Hawkins, author of *The Girl on the Train* Three women in their seventies reunite for one last, life-changing weekend in the beach house of their late friend. Four older women have a lifelong friendship of the best kind: loving, practical, frank, and steadfast. But when Sylvie dies, the ground shifts dangerously for the remaining three. Can they survive together without her? Without Sylvie to maintain the group’s delicate equilibrium, frustrations build and painful memories press in. Originally published: Great Britain: HarperCollinsPublishers, 2020. America's most famous business reporter gives her unique perspective on the white-knuckle weekend that brought the financial world to its knees. During a single historic weekend (September 12-14, 2008) the fate of Lehman Brothers was sealed, Merrill Lynch barely survived, and AIG became a ward of the federal government. Top CNBC anchor Maria Bartiromo spent the entire weekend taking frantic phone calls from the most powerful players on Wall Street and in Washington, as they toiled to keep the economy from complete collapse. Those CEOs and dozens of other sources gave Bartiromo behind-the-scenes details unavailable to other members of the media, of the

crisis and its aftermath. Now she draws on her high-level network to provide an eyewitness account of the biggest events of the financial crisis including at length interviews with former treasury secretary Henry Paulson, former AIG chairman Hank Greenberg, former Merrill Lynch CEO John Thain, and JP Morgan CEO Jamie Dimon, among many others. Writing with both authority and dramatic flair, Bartiromo weaves a thrilling narrative that will make news. She also tackles the big questions: how did an unmatched period of market euphoria and growth turn sour, catapulting the economy into a dangerous slide? And in the long run, how will the near-catastrophe really change Wall Street? For too many of us the weekend has become just another overcrowded couple of days dominated by duties, traffic jams, hassle and expense as we dash from supermarket to superstore catching up with the week's chores. But it doesn't have to be this way.

Elsbeth Thompson's original and inspiring book shows us how we can reclaim the weekend by re-charging our batteries and relationships through enjoying the simple pleasures in life. From watching the sunset and the stars, making marmalade and writing proper letters to borrowing a dog, going to dance classes and using the internet creatively, she reminds us of the fun and satisfaction to be had from creative, social and relaxing pursuits. The Wonderful Weekend Book is packed with ideas that will help restore the balance in our lives, reconnect us to the seasons, and - quite literally - not cost the earth. A story of male friendship, sometimes gone astray. Dave, Pat and Ben have been best friends since they were kids. They do everything together, and they all love their dear Liverpool football club. On a trip to see their favorite team in action, they have a few too many drinks before the match. Dave and Pat get busy chatting up two local girls. Suddenly it's

time to leave for the game. But where is Ben?
