## Rodeo Bears Ultimate Box Set Apr 23 2022

These Bear Shifters buck hard, so you'd better hang on. The Rodeo Bears Ultimate Box Set is here! Contains the following novella stories: EDWARD - Edward Tyrell has a drinking problem. Well, what he really has is a problem paying for his drinks. He can't help being so thirsty: he never asked to be a Bear Shifter. His debts always seem to catch up with him, and this time it meant being tossed out of the beer tent. Softening his fall was a curvy little thing full of spit and vinegar. The more he smiled, the more she raged. Some problems are more fun than others... OWEN - Owen Hutch was used to the attention, and not just because he was a six foot tall Bear Shifter. Everywhere he went, women fawned over him and men pretended not to stare. He was like a mirror of pure success: everyone looked at him and wondered what they would look like if they were as confident and self assured as he was. Walking into a room meant their conversations ended. Walking into a boutique meant their month was going to have record sales. All because he could ride a bull longer than just about anyone else in this sport. But then there was that sassy little thing with the blue eyes. He didn't impress her, and that made her all the more interesting... COLBY - Colby lived in eight second bursts. On a bull, that's all the time you had. You had to respect a massive beast who could easily stomp your skull into the dust if you crossed it. You had to be at your very best for those eight seconds. Pure adrenaline, pure focus and pure concentration. But the devil must've heard his plans because right as he was about to chase his glory, he knocks the wind out of some little

metropolitan thing. He knew he could take a girl's breath away, but this was ridiculous... JACOB - Jacob liked getting to know his horse before he rode it. Early in the mornings, while the rest of the world was still sleeping, that's when he got the best work done. You didn't want to get onto a horse you haven't spent time with. Jacob brushed the horse's flank, watching how it reacted to him. A scent drifted into his nose, carrying on a light breeze. Something familiar. Something from his past. Or more like someone from his past. HOLDEN - Holden had a throbbing headache. Not the best way to start out a Wild West show. He tried to keep his pain out of his voice as he rubbed the long snout of his horse. Horses could sense it, and a rider on edge meant a spooked horse. He tried not to think about the disappearing Shifters in the area, and instead focused on tonight's show, the last of the season. Then it would be time for a vacation. Somewhere sandy where they served drinks with those little umbrellas. Over 70,000 words of steamy BBW Shifter novellas! *The Shifters of Mystery Collection, Volume 1* May 13 2021 [Siren Everlasting Classic ManLove: Erotic Romance, Alternative, Paranormal, Werewolves, Public Exhibition, MM, HEA] Sage's Mystery When Sage is made an outcast in his pack for being gay, he travels to a town he purchased online, a town called Mystery that was sold to him dirt cheap. The place looked as though it was ready to fall down around him, but Sage was determined to call it home. William roamed aimlessly for years, never having a place to call his own. When a stranger shows up in Mystery and states that he's the new owner, William is ready to grab his bag and run. But when Sage invites him to stay, William knows that he has found the man of his dreams. But Mystery holds a dark secret that Sage is determined to find the answer to. When howls erupt on the night of his shift, Sage fights to find out Mystery's past and keep William from becoming one of them. But plans don't always work out the way one would want them to when William is pulled violently into Sage's world. Welcome to Mystery. Santana's Discovery Santana grew up hating werewolves for their senseless killing of his parents. He joins a radical group that is out to destroy the werewolves, not knowing that the leader of this group has been lying to him the whole time. Isaac moved to Mystery wanting a chance at a better life. He thinks he's lost his mind when he starts falling for Santana—the man who's already shot him once. As much as he questions the attraction he has for Santana, he knows the struggle to remain aloof is fruitless. When the full moon rises and the shift occurs, Isaac finds that Santana, the very man who shot him, has risked his life to save Isaac. Can Isaac convince Santana to be his mate, and can Santana accept the cold, hard facts of what happened in Mystery so long ago? And will Santana ever allow Isaac to bite him and turn him into the very creature he's hated his whole life? Lynn Hagen is a Siren-exclusive author. *Librarian Bear* Jan 21 2022 Sarah is looking for

Clean reads full of humor and small town charm, mystery, and even a little romance. This omnibus includes: Pit Perfect Murder Murder and the Money Pit The Pit List Murder Pit Perfect Murder When cougar-shifter Lily Mason moves to Moonrise, Missouri, she wishes for only three things from the town and its human population. . . to find a job, to find a place to live, and to live as a human, not a therianthrope. Lily gets more than she bargains for when a rescue pit bull named Smooshie rescues her from an oncoming car, and it's love at first sight. Thanks to Smooshie, Lily's first two wishes are granted by Parker Knowles, the owner of the Pit Bull Rescue center, who offers her a job at the shelter and the room over his garage for rent. Lily's new life as an integrator is threatened when Smooshie finds Katherine Kapersky, the local church choir leader and head of the town council, dead in the field behind the rescue center. Unfortunately, there are more suspects than mourners for the elderly town leader. Can Lily keep her less-than-human status under wraps? Or will the killer, who has pulled off a nearly Pit Perfect murder, expose her to keep Lily and her dog from digging up the truth? Murder and the Money Pit Sometimes, trying to be part of the human world can be a real killer. . . Cougar-shifter Lily Mason is ready to put down roots in the human town of Moonrise, Missouri. She only has two problems: her attraction and proximity to Parker Knowles, her boss at the Pit Bull Rescue Shelter, and her need to shift into animal form more than once a month. When she gets the opportunity to buy a "fixer-upper" outside of Moonrise with plenty of room to get wild without running into easily freaked-out humans, Lily jumps at the chance. Smooshie, Lily's lovable pit bull and partner in chaos, is eager to participate with the home improvements. Unfortunately, Smooshie's help includes digging out a mummified body from the living room wall. Lily is still recovering from the last murder investigation she got involved in—and she's not looking forward to being in the middle of another one. The case gets even stickier when Lily's landlord is murdered, rumors of a heist gone wrong run rampant, and Parker's old high school buddies have returned

to Moonrise, thus increasing the suspect pool. Lily's attempts to become a bona fide citizen of Moonrise might well be thwarted by this newest complication—especially when the murderer sets sights on her. The Pit List Murder All Lily wants is to enjoy a simple life in her new town, her fixer-upper house, while working a job she loves. Besides, the mystery of whether Parker Knowles, her boss at the rescue shelter, will or won't finally ask her out gives Lily plenty to keep her guessing. But when an abandoned pit bull puppy leads Lily and Smooshie to the corpse of a local Lothario, she is once again drawn into the seedier side of small town living. Even though she's warned off the case by the local sheriff, Lily is determined to find the killer. It doesn't help matters that more nasty notes are showing up around town, making Lily wonder if the two things are connected. Lily and Smooshie need to crack the case of the dead Don Juan, while navigating what it means to live in an all human town, before the secrets of the people she cares for are exposed. cozy mystery books, animal mysteries, dog mysteries, dog rescue, pit bulls, shifters, werewolf mysteries, small town, sweet romance, clean read, cozy mysteries, murder mystery books, small-town secrets, witches and familiars, magical mysteries, paranormal cozies, fantasy book series, shifter books, paranormal mysteries, bestseller, thriller, suspense, small town mystery, humor, drama, female sleuth, amateur sleuth, peculiar mysteries, series, dog lover mystery Fans of Amanda M. **The Wanderers** Aug 04 2020 A Unique Twist on Shape-Shifters with Fast-Paced Action, Thrilling Adventure, Mystery, and a Bit of Romance Flo lives an eccentric life—she travels with a popular circus in which the main acts star orphaned children with secret shape-shifting abilities. Once Flo turns sixteen, she must perform, but she's not ready. While practicing jumping a flaming hurdle in a clearing beside the circus, she spots a dark figure in the trees and fears he saw her shift. The news sends the circus into a panic. In Flo's world, shifters are unknown to humans with the

exception of a secret organization—the EOS, referred to as “hunters.” Hunters capture and kill. They send some shifters to labs for observation and testing—testing they don’t often survive—and deem others useless, a danger to society, and eliminate them. To avoid discovery, shifters travel in packs, constantly moving and keeping themselves hidden. Up until now, the circus was the perfect disguise. Believing she has brought attention to the group, Flo feels dread and anxiety, causing her to make a mistake during her performance in front of the audience—a mistake that triggers a violent attack from the hunters. Flo manages to flee the torched circus grounds with Jett, the bear shifter who loves her; the annoying elephant triplets; and a bratty tiger named Pru. Together they begin a new journey, alone in a world they don’t understand and don’t know how to navigate. On the run, they unravel secrets and lies that surround the circus and their lives—secrets and lies that all point to the unthinkable: Have they been betrayed by the people they trusted most?
