Brave by Faith Jan 28 2020 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

The Biblical Studies Workbook: a Personal Workbook for a Book by Book Understanding of the Bible Dec 21 2021

BIBLICAL STUDIES - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture. **PERSONAL NOTES -** This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections. **SIMPLE WORKBOOK -** What you'll find within this book is a simple template that will allow you to work through each of the book fo the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. **ADDITIONAL RESOURCES -** In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper

understanding of God, specific books of the Bible, and the whole Bible. Size: 7"x10" Pages: 162 Category: Theology, Biblical Studies, Bible Workbook

Stumped about what book of the Bible includes King David's heartfelt praises to the Lord in song and poetic expression? The Open Book Workbook is the perfect accessory for your Bible study needs, with over 390 pages of fill-in-the-blank questions that cover everything from the book of Genesis to the book of Revelation.
