A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font. "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. Profound reflections on the cross that help you to meditate on and marvel at the sacrificial love of Jesus. This book can be used as a devotional, especially during Lent and Easter. These profound reflections on the cross from David Mathis, author of *The Christmas We Didn't Expect*, will help you to meditate on and marvel at Jesus' life, sacrificial death, and spectacular resurrection-enabling you to treasure anew who Jesus is and what he has done. Many of us are so familiar with the Easter story that it becomes easy to miss subtle details and difficult to really enjoy its meaning. This book will help you to pause and marvel at Jesus, whose now-glorified wounds are a sign of his unfailing love and the decisive

victory that he has won: “He was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.” (Isaiah 53:5) This book can be used as a devotional. The chapters on Holy Week make it especially helpful during the Lent season and at Easter. A warm, witty memoir of a young family’s rugged adventure living in the newly established Big Bend National Park in the 1940s. A woman who went West with her husband in the 1840s must have expected hardships and privation, but during the 1940s, when Etta Koch stopped off in Big Bend with her young family and a twenty-three-foot travel trailer in tow—which they named Poriky, the Road Hog—she anticipated a brief, civilized camping trip between her old home in Ohio and a new one in Arizona. It was only when she found herself moving into an old rock house without plumbing or electricity in the new Big Bend National Park that Etta realized she’d left her sheltered life behind for an experience in frontier living. In this book based on her journals and letters, Etta Koch and her daughter June Cooper Price chronicle their family’s first years—1944–1946—in the Big Bend. Etta describes how her photographer husband Peter Koch became captivated by the region as a place for natural history filmmaking—and how she and their three young daughters slowly adapted to a pioneer lifestyle during his months-long absences on the photo-lecture circuit. In vivid, often humorous anecdotes, she describes making the rock house into a home, getting to know the Park Service personnel and other neighbors, coping with the local wildlife, and, most of all, learning to love the rugged landscape and the hardy individuals who call it home. Written from a strikingly fresh perspective, this new account of the Boston Tea

Party and the origins of the American Revolution shows how a lethal blend of politics, personalities, and economics led to a war that few people welcomed but nobody could prevent. In this powerful but fair-minded narrative, British author Nick Bunker tells the story of the last three years of mutual embitterment that preceded the outbreak of America's war for independence in 1775. It was a tragedy of errors, in which both sides shared responsibility for a conflict that cost the lives of at least twenty thousand Britons and a still larger number of Americans. The British and the colonists failed to see how swiftly they were drifting toward violence until the process had gone beyond the point of no return. At the heart of the book lies the Boston Tea Party, an event that arose from fundamental flaws in the way the British managed their affairs. By the early 1770s, Great Britain had become a nation addicted to financial speculation, led by a political elite beset by internal rivalry and increasingly baffled by a changing world. When the East India Company came close to collapse, it patched together a rescue plan whose disastrous side effect was the destruction of the tea. With lawyers in London calling the Tea Party treason, and with hawks in Parliament crying out for revenge, the British opted for punitive reprisals without foreseeing the resistance they would arouse. For their part, Americans underestimated Britain's determination not to give way. By the late summer of 1774, when the rebels in New England began to arm themselves, the descent into war had become irreversible. Drawing on careful study of primary sources from Britain and the United States, *An Empire on the Edge* sheds new light on the Tea Party's origins and on the roles of such familiar characters as Benjamin Franklin, John Hancock, and Thomas Hutchinson. The book shows how

the king's chief minister, Lord North, found himself driven down the road to bloodshed. At his side was Lord Dartmouth, the colonial secretary, an evangelical Christian renowned for his benevolence. In a story filled with painful ironies, perhaps the saddest was this: that Dartmouth, a man who loved peace, had to write the dispatch that sent the British army out to fight. List of members in v. 1-9. "The Bible Delusion: 101 'Hang on a Minute' Moments; and God's Mysterious Ways" comprises an easy to read summary of 101 examples of absurdity in the King James Version of the Bible, dismantling everything from the Genesis creation myth to the coherency of The Gospels. More aspects are categorised into groups that are anything but 'godlike' in their nature. The Bible is full of bizarre rules, regulations and instructions - on animal sacrifice, war, including genocide and ethnic cleansing, misogyny, slavery, and much more - straight from God. There are numerous contradictions, anomalies, anachronisms and oddities, many of which are explored and explained in this comprehensive work. This books contains three stimulating stories of human struggles. Miriam struggle as she takes care of her young nephew, Johnny , whose father, Paul Simeon she suspects of being responsible for her sisters untimely death. Her sisters last letter indicated that there was enough information to have Paul and his gang arrested. She cringes while watching Johnny act nervous and edgy when he is around his father. What does that child know, she asks herself. Is her new friend, Mrs. Worth justified in believing that Paul and his co-hort, Stubby are planning to get rid of both of them? The second book, Dont Wake a Sleeping Lion has Esther struggling with trying to find a way to escape from her kidnappers. She and her co-worker were on the trail of a series of missing

persons. How do they handle the death of one of their members as he is found beaten until he is almost not recognized? The third book is called *Beth Young* Beth struggles over her fathers anger at God for taking his wife. She weeps as she watches him raise his fist toward heaven. Its interesting to see how she tries to intervene in her fathers life. In the meantime, while praying for him, she finds that the boy next door, who is the towns trouble maker needs prayer Her aunt tries to convince the eager child to be patient. The second part of *Beth* has her grown up into a teen and she and the boy next door are praying for each other. God is good...all the time Escaping the demands of Paris police work, Commissaire Capucine Le Tellier embarks on a well-deserved Mediterranean cruise. But wherever the renowned inspector goes, murder is sure to be close on the horizon. . . On the azure waters off the coasts of Corsica and Sardinia, what could be more relaxing and rewarding than traipsing around the Mediterranean enjoying the local culinary delights. Among the invited bon vivants are Capucine, her husband, the celebrated restaurant critic, her special agent cousin Jacques, a famed bar owner, and even her boss. To all appearances, the table is set for an affair to remember. In the midst of this pleasure cruise, Natalie, the yacht's cook, is lost overboard. A sudden squall is the assumed cause. But once a bullet hole is discovered in her jacket, suspicions quickly shift and the onboard bonhomie suffers accordingly. When a shell casing is uncovered that matches the gun Capucine is authorized to carry, for the first time in her stellar career, the hardworking detective finds herself the prime suspect. For Capucine, these are clearly not the deep waters she envisioned as part of her holiday. As the motives become murkier, the gifted Commissaire will need to harness all her powers of

deduction to get to the bottom of the mystery--before she ends up at the bottom of the sea. Anna was raised in an orphanage. One day when she was dumping the disgusting toilet bucket, she heard a voice say, LOOK FOR THE SPRINKLES. Looking around, however, there was no one there. On her way back down the hill she fell and got some of the terrible smelling gunk on her dress. In an attempt to wash off the foul smelling liquid in a nearby river, she almost drowned. The adventure that followed would change not only her life, but the lives of everyone in the orphanage along with the lives of everyone they met. In 1899 Winnipeg, young Reverend Charles Lauchlan, an energetic young minister of a new Presbyterian church, must help an old

friend accused of murder. With the help of a Métis policeman, Sergeant Andrew Setter, Charles uses his pastoral skills, and some other skills not taught at the seminary, to solve the crime. Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. This book covers Calvin's commentaries on the Psalms 36 - 66.
