Divorce is a journey, and typically not an easy one. There are so many variables and decisions throughout and it can leave people exhausted and emotionally drained. You can choose to go it alone, but it is best to have a close friend, a confidant, a BFF, by your side. Inside the book, some of those variables and decisions are explained. If you "go it alone," this book is still very helpful. But it also explains the role a BFF can play. A BFF can help make the journey more palatable by providing emotional and tactical support. If you are the one getting the divorce, the author highly encourages you to read this first, but then pass it on to your BFF. Or, if you know someone getting a divorce, and you really want to help, share this book with them. As Victoria Vestuto journeyed with several friends down this road, they often found themselves confused and frustrated. Terms were thrown around by lawyers that they had no idea what they meant. Court dates were mandated and they often did not know why. This book was written to help someone have a smoother experience. This book will save you money.
