The Busy Ant Maths Pupil Book 5A contains three levels of differentiated challenge built-in to each lesson as well as extra consolidation and extension activities to ensure rapid progression for every child. This interactive picture book will help you introduce doubling to young children. Annie Ant, the main character, learns that by doubling the number of sticks, leaves and fellow workers, she can build her nest in half the time. Doubling Fun with Annie Ant is published by Gullane Books, advised by BEAM. The Busy Ant Maths Pupil Book 6A contains three levels of differentiated challenge built-in to each lesson as well as extra consolidation and extension activities to ensure rapid progression for every child. This tale of ants parading toward a picnic is "one of those rare gems capable of entertaining while it instructs" (Middlesex News). One hundred hungry ants march off single file to sample a picnic, but when the going gets too slow, they divide into two rows of fifty, then four rows of twenty-five . . . until they take so long that the picnic is gone! "The unexpected pairing of sophisticated art and light-hearted text lends this book particular distinction." —Publishers Weekly "The illustrations . . . use a pleasing palette and energetic lines to depict ants with highly individual characters." —Horn Book Ant and Grasshopper can't agree over how to spend the summer. Who will be right when winter comes? Part of the Usborne Reading Programme developed with reading experts at the University of Roehampton, specially written for children just starting to read alone. This ebook includes audio and reading-related puzzles. "Crack reading and make confident and enthusiastic readers with this fantastic reading programme." - Julia Eccleshare This photocopiable End-of-year test containing two papers will support teachers in making a decision as to whether or not an individual child has achieved mastery of the programme of study for Year 2. \* Contains an arithmetic paper and a reasoning paper based on the end of year expectations for Year 2\* Teacher guidance includes instructions for administering papers, detailed marking guidance, and marking schemes for each paper\* Guidance on assigning a national standard is provided for schools that wish to compare their pupils' test results with national standards.
