TipuSultan- The Tyrant of Mysore Apr 12 2021 This book is part of a series of books aimed at disseminating the accurate history of India drawn from the primary sources. History writing, especially about the medieval Muslim rule has been fraught with political correctness, controversy, and in several cases, downright falsification. This has occurred mostly with official state patronage. As a result, any attempts to correct this course has been virulently opposed with the result that most urban-educated Indians have now internalized a politically correct version of Indian history. The history of Tipu Sultan too, stands as a glaring instance of this distorted historical narrative. Indeed, we have seen, read, and heard about a lot of people claiming to be freedom fighters and receiving pensions from the Government. Several of these worthies would not have been born before Independence yet they succeed in such blatant manipulations. There are instances of portraying certain rulers and chieftains as true heroes who fought against the

British Empire. One such ruler happens to be Tipu Sultan. Tipu Sultan is widely known as the Tiger of Mysore. Indeed, the image of Tipu battling a tiger barehanded crosses the mind whenever his name is mentioned. But is this the truth? Was Tipu Sultan truly the warrior as he has been portrayed? What exactly is his record of fighting the British? Was he really a freedom fighter as is widely claimed? Sandeep Balakrishna in this well-researched book, explores both the myths and the truth surrounding Tipu Sultan. A must-read for those who wish to learn the true story of Tipu Sultan.

The Sword of Tipu Sultan Jan 02 2023 This historical novel tells the story of Tipu Sultan---the man, the lover, the soldier, the prince, the king. It speaks of those who loved and betrayed him; of his interactions with charming ladies and brilliant men; of his greatness and of the craftiness of his contemporaries; of the wit and folly of his times; and of the struggle of men and ideas in the march of history. Based on extensive research, The Sword of Tipu Sultan is an original contribution to historical literature which gives insights into the character of its hero, and the period in which he lived. Tipu, maligned by historians as a cruel and bigoted ruler, emerges here as a humane, enlightened ruler who believed that God is not confined to any one religion and that all religions therefore deserve equal respect. He was opposed to colonialism, welcomed the American Declaration of Independence and applauded the spirit of the French Revolution. The author establishes him as the first among modern Indian nationalists who knew that India was weakened not by outside powers but the decadence and disunity within. A vivid portrayal of the

drama of Tipu's times, *The Sword of Tipu Sultan* captures the amazing spirit of the man who, in the midst of disaster, lost neither his dignity nor his faith. He chose to court death when he could have saved himself, for he firmly believed that his sacrifice would serve as an example for the future generations of India. Special Edition: With 30 exclusive illustrations, handpicked by the author, from the T.V. Serial which are not part of the Printed book.

Tipu Sultan Oct 31 2022 Tipu Sultan is one of the most controversial figures in Indian history. One school hails him as a valiant warrior who fought for his honour and for his country; another describes him as a ruthless and bigoted ruler. Recent researches show that Tipu was more sinned against than sinning . As B.S Gidwani points out, Tipu was the only ruler in the eighteenth century who did not side with the English at any time in a war against his fellow countrymen. Had Tipu succeeded in forming a united front with the support of the Nizam and the Marathas, the British would not have enslaved the country as easily as they did. The fall of Tipu paved the way for British supremacy in India. Even Nana Phadnavis, a bitter opponent of Tipu, acknowledged his vital role. Tipu is finished, he remarked, Poona will now be the next victim. Evil days are ahead. There seems to be no escape from destiny. In preparing this script the works

of M.H.Khan, Denys Forrest, Fazal Hasan and T.T.Sharma have been consulted. The incidents included on pages 8,9,16 and 17 are based on B.S.Gidwani's *The Sword of Tipu Sultan*, published by Allied Publishers Ltd., New Delhi.
