The Assassin Hunters Aug 16 2021 As the assassin's hand arched for his throw, Janzene cocked and fired his Colt in a smooth, practiced motion. Silver spinning objects spun from the man's hand, shooting through the air toward Janzene. At the same time, the assassin's body was hurled backward by the force of Janzene's bullet. The man staggered and fell, dead as he hit the floor. Janzene threw off his blanket and leaped to his feet, reaching the body shortly after it fell. A pool of blood was forming on the man's garment. Janzene looked at his assailant. Of all the people to attack him, he had expected least of all a Chinaman. Why had his visit to the Chinese area aroused such desire to kill him? What could the scroll he possessed contain? He shook his head. What had he gotten himself into?

On the Trail of the Assassins Aug 23 2019 Almost fifty years after the assassination of President John F. Kennedy, his murder continues to haunt the American psyche and stands as a turning point in our nation's history. The Warren Commission rushed out its report in 1964, but questions continue to linger: Was there a conspiracy? Was there a coup at the highest levels of government? On March 1, 1967, New Orleans district attorney Jim Garrison shocked the world by arresting local businessman Clay Shaw for conspiracy to murder the president. His alleged co-conspirator, David Ferrie, had been found dead a few days before. Garrison charged that elements of the United States government, in particular the CIA, were behind the crime. From the beginning, his probe was virulently attacked in the media and violently denounced from Washington. His office was infiltrated and sabotaged, and witnesses disappeared and died strangely. Eventually, Shaw was acquitted after the briefest of jury deliberation and the only prosecution ever brought for the murder of President Kennedy was over. Returning to print for the first time in years, *On the Trail of the Assassins*—the primary source material for Oliver Stone's hit film JFK—is Garrison's own account of his investigations into the background of Lee Harvey Oswald and the assassination of President Kennedy, and his prosecution of Clay Shaw in the trial that followed. *Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc* Sep 24 2019

X-Men Oct 30 2022 The path of romance rarely runs smoothly for the X-Men, and that goes double for mutantkind's most ill-fated couple: Gambit and Rogue! The would-be lovers who dare not touch face ghosts from their pasts in adventures filled with thieves, assassins,

reunions and revenge! Remy LeBeau returns to New Orleans when he hears rumors his late wife isn't so late after all. But the key to fully reviving Bella Donna lies within the Thieves Guild that Gambit turned his back on! Will Remy's father welcome him home with open arms? Or will his in-laws in the Assassins Guild meet him first with closed fists? COLLECTING: GAMBIT (1993) 1-4, ROGUE (1995) 1-4. **Disturbed about Man** Jun 13 2021 At the funeral of Dr. Martin Luther King Jr., the eulogy was delivered by Benjamin E. Mays, former president of Morehouse College. The men had become close friends when King attended Morehouse. This famous tribute forms the opening chapter of a book dedicated by Dr. Mays to his former student, "who too was disturbed about man." In a forceful and straightforward style, Dr. Mays speaks to men of all races and faiths about how to counteract man's inhumanity to man. His message is that man does not have to attack other nations or his neighbors. He does not have to be a slave to his environment. With God's help he can overcome and improve his environment; he can "rise above the currently accepted practices and point the way to higher and nobler things."--Cover.

The Ismaili Assassins May 01 2020 "A fascinating history . . . The Medieval conflict between Christians and Muslims has many similarities to the Middle East today."—Firetrench The Ismaili Assassins were an underground group of political killers who were ready to kill Christians and Muslims alike with complete disregard for their own lives. Under the powerful control of an enigmatic grand master, these devoted murderers often slayed their victims in public, cultivating their terrifying reputation. They assumed disguises and their weapon of choice was a dagger. The dagger was blessed by the grand master and killing with it was a holy and sanctified act; poison or other methods of murder were forbidden to the followers of the sect. Surviving a mission was considered a deep dishonor and mothers rejoiced when they heard that their Assassin sons had died having completed their deadly acts. Unsurprisingly, their formidable reputation spread far and wide. In 1253, the Mongol chiefs were so fearful of them that they massacred and enslaved the Assassins' women and children in an attempt to liquidate the sect. The English monarch, Edward I, was nearly dispatched by their blades and Richard the Lionheart's reputation was sullied by his association with the Assassins' murder of Conrad of Montferrat. The Ismaili Assassins explores the origins, actions and legacy of this notorious sect. Enriched with eyewitness accounts from Islamic and Western sources, this important book unlocks the history of the Crusades and the early Islamic period, giving the reader entry into a historical epoch that is thrilling and pertinent. "An inherently fascinating, deftly written, and impressively informative read from beginning to end."—Midwest Book Review

[The Trigger Men](#) Apr 11 2021 In THE TRIGGER MEN, bestselling author Martin Dillon delves into the dark and sinister world of Irish terrorism and counter terrorism. Over three decades, he has interviewed and investigated some of the most professional, dangerous and ruthless killers in Ireland. Dillon explores their personalities, motivations and bizarre crimes. Many of Ireland's assassins learned their trade in fields and on hillsides in remote parts of Ireland, while some were trained in the Middle East or with Basque separatist terrorists in Spain. Some were one-target-one-shot killers, like the sniper who terrorised the inhabitants of Washington State in the autumn of 2002, and others were bombers skilled in designing the most sophisticated explosive devices and boobytraps. Another more powerful group of 'trigger men' were the influential figures in the shadows who were experts in motivating the killers under their control. All of these men, whether they squeeze the trigger on a high-powered rifle, set the timer on a bomb, or used their authority to send others out to commit horrific and unspeakable acts of cruelty, are featured in this book. THE TRIGGER MEN takes the reader inside the labyrinthine world of terrorist cells and highly classified counter terror units of British Military Intelligence. The individual stories are described in fascinating, unflinching detail and show how the terrorists carried out their ghastly work. Dillon also explores the ideology of the cult of the gunmen and the greed and hatred that motivated assassins in their killing sprees. There are penetrating insights into the mindset of the most infamous assassins: their social and historical conditioning, their callousness and their unquestioning

The Trigger Men Jan 01 2023 In The Trigger Men, bestselling author Martin Dillon delves into the dark and sinister world of Irish terrorism and counter-terrorism. Over three decades he has interviewed and investigated some of the most professional, dangerous and ruthless killers in Ireland. Now Dillon explores their personalities, motivations and bizarre crimes. Many of Ireland's assassins learned their trade in fields and on hillsides in remote parts of Ireland, while others were trained in the Middle East or with Basque separatist terrorists in Spain. Some were one-target-one-shot killers, like the sniper who terrorised the inhabitants of Washington State in the autumn of 2002, while others were bombers skilled in designing the most sophisticated explosive devices and booby traps. 1852 to 1860 Nov 26 2019

Brutus Caesar's Assassin Jul 03 2020 Although Marcus Junius Brutus is one of the most famous, or infamous, conspirators of Rome and the ancient world, if not of all time, knowledge of this historical figure has principally been passed to the modern world through the literary medium of Shakespeare's tragedy, Julius Caesar. Furthermore, any interest in Brutus has tended to focus only on events surrounding his most legendary act, Caesar's murder. This biography instead considers Brutus in his historical context, gathering details from ancient evidence and piecing together, as far as possible, his whole life. While his actions played a pivotal role in Roman history, ultimately, although completely unintentionally, bringing about the downfall of the Roman republic, Brutus has often been neglected. Indeed, he has rarely been considered on his own merits, instead featuring as part of the biographies and studies of other leading political figures of the time, especially those of Julius Caesar, Cicero and Octavian. As the first dedicated biography in over 30 years, this full and balanced reconsideration of this significant Roman republican is long overdue.

Ultimate City of Assassins Fantasy Collection Sep 16 2021 Grab four gripping urban fantasy books and 5 short stories now! City of Snow: An Assassin. A Cold Killing Ground. A City of Snow. [The Assassin the Grey Man and the Surgeon](#) Nov 30 2022 It was all going so well for Peter Lee's drug empire. He had a hold on the producers in Afghanistan and Pakistan. His receiver network was increasing and the distribution was now being handled by four of the biggest gangs in London. With business so good, he was starting to expand. He was becoming very, very rich. The only small annoyance had come from a little old lady who owned of all things a corner shop. She had refused to accept any of his special parcels and wanted to go to the police, so she'd been given two bullets, the 'double tap', both to

shut her up and to send a message to everyone else in the network. Unknown to Lee she was married to a specialist, a man who, in a former life killed men for a living. He had two friends, one a gatherer of information, the master in his field, one a breaker of men, who was so vicious that it was rumoured that each time he hit a man he cut him. Each of these three men had spent thirty years and more playing the 'great game'. Inside the security company called 'The Firm' they were legends known only as The Assassin, The Grey Man and The Surgeon. Now living at the edge of the secret world and about to disappear into history, this atrocity had brought them back centre stage but the question is, do they still have what it takes to go up against today's hard men?

Assassin's Code Mar 11 2021 Step aside, Jason Bourne: David Slaton, the perfect assassin, returns for another adrenaline-packed adventure by USA Today bestselling author Ward Larsen in Assassin's Code.

Former assassin David Slaton discovers a cryptic message: on a memory stick, a photograph of the man who will soon assume command of DGSI, France's elite counterterrorism force. With that country reeling under a wave of ISIS attacks, Xavier Baland will be trusted to make the Republic safe again. The problem—Slaton has seen Baland's face before. He is Ali Samir, a terrorist Slaton is certain he killed fifteen years earlier. Unable to reconcile this frightening disconnect, he attempts to raise the alarm. Thousands of miles away, the chief information officer of ISIS tries to keep networks running amid crumbling infrastructure. With the caliphate's very survival at stake, the leadership commits to a last-ditch gambit: France must be attacked on a massive scale, forcing the West into the battle of the Apocalypse. Slaton keeps a breakneck pace, traveling to Tel Aviv, Paris, and the deserts of Syria. In the end he uncovers a labyrinthine plot—and one that only he can stop. David Slaton Novels The Perfect Assassin Assassin's Game Assassin's Silence Assassin's Code At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
