**Italia, Portogallo, Brasile: un incontro di storia, lingua e letteratura attraverso i secoli Apr 24 2022 I contributi riuniti nel volume, presentati per la prima volta in occasione del I Convegno dell' AISPEB (Associazione di Studi Portoghesi e Brasiliani), tenutosi nel 2012 presso le sedi dell'Università di Roma "La Sapienza" e dell'Università di Roma Tre, offrono un panorama di temi, linguistici e letterari, legati sia al contesto portoghese che a quello brasiliano. I saggi d'argomento letterario rinnovano il contributo italiano allo studio della letteratura luso-brasiliana, rimanendo nel solco di una tradizione nazionale ricca di spunti, che ha visto arrivare proprio dall'Italia alcuni contributi storici, filologici ed ermeneutici tuttora indispensabili per comprendere l'opera dei maggiori autori di lingua portoghese. I saggi di argomento linguistico sintetizzano invece alcuni dei risultati prodotti dalle cattedre di lingua, di recente istituzione in Italia, privilegiando in particolar modo tematiche legate al binomio lingua-traduzione.**

**In Other Words May 14 2021 In Other Words is a revelation. It is at heart a love story of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterwards, true mastery had always eluded her. Seeking full immersion, she decided to move to Rome with her family, for 'a trial by fire, a sort of baptism' into a new language and world. There, she began to read and to write - initially in her journal - solely in Italian. In Other Words, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.**

**Ciao! Jun 26 2022 CIAO! continues to set the standard for interactive, flexible introductory Italian instruction with its state-of-the-art online technology package. Not only is this course entirely portable to accommodate the demands of a busy life, it features exciting new capabilities that allow students to share links, photos, and videos and to comment on those posted by their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while**

**skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained throughout the chapter and provides plenty of opportunities to make cross-cultural comparisons even within the regions of Italy itself. CIAO!'S fully-updated authentic readings, cultural snapshots, videos, and activities engage students in deeper exploration of the vibrant life of modern-day Italy and the country's rich cultural heritage. Each chapter ends with a thorough Ripasso to ensure student success. Now more than ever, CIAO! provides an all-in-one grammar and vocabulary program that allows students to communicate in Italian with confidence and gives them a unique cultural perspective on an ever-changing Italy. **'Onde Di Questo Mare' Nov 27 2019** In the half-century following Pavese's death, much that was written about him sought principally to understand and define his complex character, and to determine his place within the twentieth-century Italian literary canon. Latterly, there appears to have been a significant shift in focus towards a closer reading of individual works or aspects or periods of his writing, the better to analyse and reveal the subtleties and depth of his vision. This present collection of ten essays conforms broadly with this tendency. It is organised chronologically with regard to Pavese's life and works so as to convey a sense of the development of a writer, over and above the particular concerns of any given essay. The book features contributions from many leading experts on Pavese.

**Salve! May 26 2022 SALVE!, Second Edition is a complete introductory Italian program that introduces students to Italian life and culture while furthering their skills to understand and express common words and phrases in Italian. Students are exposed to the vibrant life of modern day Italy and its rich cultural heritage through the Sulla Strada video clips which give your students a taste of everyday life in Italy while providing a wealth of activities in both the text and online. The integration of video, suggestions for music, internet and GoogleEarth searches, and a distinctive focus on Italy's varied regions, make this text essential for anyone interested in learning Italian. Students are invited to talk about their education, family, friends, tastes, leisure activities, their past and their plans for the future, and encourages them to make cross-cultural comparisons and connections from their own life with those of their Italian counterparts. Students will also discover the different Italian regions and their distinctive characteristics. SALVE! is a complete, streamlined program that is highly-effective for courses with a two-semester or reduced hour sequence. The text uses a manageable building block method introducing the structures of the language through an easy-to-understand dialogue and narrative, and by recycling essential vocabulary throughout each chapter. **propose new readings of Italian and transnational female-authored texts through the lens of Trauma Studies. Illuminating a space that has so far been left in the shadows, Trauma Narratives in Italian and Transnational Women's Writing provides new insights into how the trope of trauma shapes the narrative, temporal and linguistic dimension of these works. The various contributions delineate a landscape of female-authored Italian and transnational trauma narratives and their complex textual negotiation of suffering and pathos, from the twentieth century to the present day. These zones of trauma engender a new aesthetics and a new reading of history and cultural memory as an articulation of female creativity and resistance against a dominant cultural and social order.**

**The Voices of Carlo Levi- Le Voci Di Carlo Levi Dec 21 2021**

**As a writer, Carlo Levi has had the misfortune to be known as the author of one book, Christ Stopped at Eboli, the account of his years of internal banishment by the Fascist authorities to a remote village in the south of Italy. That book was recognised as a masterpiece of anti-Fascist literature and as a sensitive investigation of the way of life of a people at the margins of European civilisation. It enjoyed enormous success in the post-war period not only in Italy but also in Britain and the USA, and has been continuously in print since its first publication. However, Levi was also a painter of some repute, a novelist, a journalist, a critic of art and society, a political commentator, and above all, a wholly idiosyncratic travel writer whose reports on the countries and regions he visited, including Sicily, Sardinia, Germany, the USSR and India, were also reflections on Italy. This book attempts to assess the totality of Levi's achievement. Come scrittore, Carlo Levi ha avuto la sfortuna di essere celebrato come autore di un libro solo, Cristo si è fermato ad Eboli, la narrativa dei suoi anni di confino nel Mezzogiorno sotto il regime fascista. Sin dal momento della sua pubblicazione nel primo dopoguerra, questo libro è stato riconosciuto come capolavoro della letteratura anti-fascista e come indagine penetrante della cultura di un popolo ai margini della civiltà europea. Comunque, Levi fu anche pittore di grande talento, romanziere, critico d'arte, critico della società, commentatore politico e viaggiatore-scrittore di libri di viaggi sui generis. I suoi articoli, che poi divennero libri, sui paesi e sulle regioni che visitò - la Sicilia, la Sardegna, la Germania e l'India - si rivelarono anche riflessioni sulla condizione dell'Italia. Questa raccolta di saggi è una rivalutazione della totalità delle opere di Carlo Levi.**
