The author shares his personal techniques, insights and experiences regarding saving money and investing, drawn from his blog posts as well as a series of letters to his teenage daughter, both dealing with money management. Using the Crowley Thoth deck, you learn that the tarot cards symbolize your inner reality. Learn how this "mirror" reflects your growth, and how you can grow to your maximum with this easy-to-use system. Includes definitions of the major and minor arcana, instructions for reading the cards to clarify emotional situations, and provides several different layouts, including a chakra reading. Illustrated with the Crowley deck. Told with heart and humour, *The Boy at the Back of the Class* is a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of my class, but now a new boy called Ahmet is sitting in it. He's nine years old (just like me), but he's very strange. He never talks and never smiles and doesn't like sweets - not even lemon sherbets, which are my favourite! But then I learned the truth: Ahmet really isn't very strange at all. He's a refugee who's run away from a War. A real one. With bombs and fires and bullies that hurt people. And the more I find out about him, the more I want to help. That's where my best friends Josie, Michael and Tom come in. Because you see, together we've come up with a plan. . . #1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand.

“ Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives. ” —Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking “ What ’ s wrong with you? ” to “ What happened to you? ” Here, Winfrey shares stories

from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It ' s a subtle but profound shift in our approach to trauma, and it ' s one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way. A search for evidence of a pre-ancient, advanced civilization speculates about an Atlantis-like world and makes predictions about forthcoming geological disasters. A Série Universitária foi desenvolvida pelo Senac São Paulo com o intuito de preparar profissionais para o mercado de trabalho. Os títulos abrangem diversas áreas, abordando desde conhecimentos teóricos e práticos adequados às exigências profissionais até a formação ética e sólida. Neste livro, busca-se apresentar a plataforma de computação em nuvem como o modelo de estrutura de TI mais crescente dentro das empresas. Essa ruptura de preceitos traz um novo desafio para a organização em uma das áreas mais cruciais do mundo corporativo: a tecnologia da informação e comunicação. A obra trata de modelos de adoção para o serviço de computação em nuvem, da delimitação de responsabilidades dos atores envolvidos no processo, de como entender o processo de migração, dos tipos de abordagens financeiras e, por fim, das organizações, normas e regulamentações que orientam as empresas nesse cenário. Dessa forma, o objetivo é proporcionar ao leitor uma visão geral sobre os fundamentos da computação em nuvem e os aspectos essenciais que norteiam esse serviço.

Each year Americans start one million new businesses, nearly 80 percent of which fail within the first five years. Under such pressure to stay alive—let alone grow—it ' s easy for entrepreneurs to get caught up in a never-ending cycle of “ sell it—do it, sell it—do it ” that leaves them exhausted, frustrated, and unable to get ahead no matter how hard they try. This is the exact situation Mike Michalowicz found himself in when he was trying to grow his first company. Although it was making steady money, there was never very much left over and he was chasing customers left and right, putting in twenty-eight-hour days, eight days a week. The punishing grind never let up. His company was alive but stunted, and he was barely breathing. That ' s when he discovered an unlikely source of inspiration—pumpkin farmers. After reading an article about a local farmer who had dedicated his life to growing giant pumpkins, Michalowicz realized the same process could apply to growing a business. He tested the Pumpkin Plan on his own company and transformed it into a remarkable, multimillion-dollar industry leader. First he did it for himself. Then for others. And now you. So what is the Pumpkin Plan? Plant the right seeds: Don ' t waste time doing a bunch of different things just to please your customers. Instead, identify the thing you do better than anyone else and focus all of your attention, money, and time on figuring out how to grow your company doing it. Weed out the losers: In a pumpkin patch small, rotten pumpkins stunt the growth of the robust, healthy ones. The same is true of customers. Figure out which customers add the most value and provide the best opportunities for sustained growth. Then ditch the worst of the worst. Nurture the winners: Once you figure out who your best customers are, blow their minds with care. Discover their unfulfilled needs, innovate to make their wishes come true, and overdeliver on every single promise. Full of stories of other successful entrepreneurs, *The Pumpkin Plan* guides you through unconventional strategies to help you build a truly profitable blue-ribbon company that is the best in its field. A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work.

Catalina Martín, finally, not

single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along my charade. But that didn't mean I was desperate enough to bring the 6'4 blue-eyed pain in my ass standing before me. Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic-induced lie? Like my abuela would say, *que dios nos pille confesados*. The Spanish Love Deception is an enemies-to-lovers, fake-dating, SLOW-BURN romance. Perfect for those looking for a steamy slow-burn with the sweetest Happily Ever After. *** Portuguese *** Nova edição específica para o Kindle, traduzida por Wirton Arvel e Frederico Perin. A dramatic and intimate portrait of one of the world's great cities. Mulan meets The Song of Achilles in Shelley Parker-Chan's She Who Became the Sun, a bold, queer, and lyrical reimagining of the rise of the founding emperor of the Ming Dynasty from an amazing new voice in literary fantasy. To possess the Mandate of Heaven, the female monk Zhu will do anything "I refuse to be nothing..." In a famine-stricken village on a dusty yellow plain, two children are given two fates. A boy, greatness. A girl, nothingness... In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family's eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family's clever and capable second daughter, on the other hand, is only as expected. When a bandit attack orphans the

two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate. After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu takes the chance to claim another future altogether: her brother's abandoned greatness. Homophobia turns deadly when a serial killer strikes in this 2016 RONE Award finalist legal thriller from the bestselling author critics call 'one of the strongest thriller writers on the scene'. A civil case turned criminal Lawyer Brent Marks advocates a case for a gay couple's marriage. After victory, the clients are found in their home brutally murdered; the first victims of a notorious serial killer who targets gay couples. A lawyer who doesn't know if his client is innocent or guilty All the evidence leads to a religious zealot who is outspoken against gay marriage, who requests Brent to be his criminal defense attorney. Can Brent bring himself to defend the only suspect in the case whom the police are sure is responsible for the murder? Will an innocent client go to his death or find justice in this courtroom thriller? Where ethics and tolerance collide, In order to form a viable criminal defense, Brent must solve the murders, leading him and his team straight into the path of the killer. Searing, exhilarating and topical, this courtroom thriller puts a spotlight on one of the biggest social issues of our time #1 Hot New Release in Legal Thrillers #1 Political Thriller #1 Pulp Thriller #15 in Legal Thrillers What critics are saying about this novel: "Kenneth Eade is one of our strongest thriller writers on the scene and the fact that he draws his stories from the contemporary philosophical landscape is very much to his credit." Grady Harp, Amazon Hall of Fame, Top 100 and Vine Voice "Absolute Intolerance is packed with delightful twists and turns, but its real surprise lies in an unexpected conclusion that neatly sums up events without a predictable path being taken. This makes for a gem of a read for courtroom drama and mystery fans used to the clues adding up to one direction. Thought-provoking from start to finish." Midwest Book Review What readers are saying about Lawyer Brent Marks in Absolute Intolerance: "Tightly written and urgently captivating from the very beginning" Nancy Pelegrino " I have no words to describe this novel, believe me when I say that this a captivating read, rich in dialogues and descriptions that you won't stop reading until you reach the very end." Xalin "Only good things to say about this author. This story depicts an innocent person being tried for a crime they didn't commit and how Lady Justice is sometimes ignored. As an avid reader of crime thrillers I strongly recommend all of his books" Linda Comeaux "Well written legal thriller. Kenneth Eade is a true professional at his craft. The Brent Marks series is almost consistently excellent." A. Mockus "It's been awhile since I read a good crime novel and Absolute Intolerance didn't disappoint me. Believe me when I say that this a captivating read, rich in dialogues and descriptions that you won't stop reading until you reach the very end. I was surprised by the end of the book, I wasn't expecting that ending and it makes me love the book even more." Simple yet effective advice for anyone who wants their money to work harder than they do. Most investment books offer a bewildering array of complex strategies for how best to invest your money. But often the chances of success are remote and the rules are impossible to follow in practice. Smarter Investing introduces you to a simple and powerful set of rules for successful investing, helping you to build an investment portfolio that suits your needs, stays the course when markets get rough and quietly gets on with the job of generating better results. In this updated and revised edition, Tim Hale gives you all the advice you'll need and demonstrates that the key to successful investing is to do a few straightforward things exceptionally well. Smarter Investing will help you: Establish what you want your money to do for you Work out how much money you need to achieve your goals Avoid the mistakes that generations of investors have made Build a balanced portfolio that's right for you, using a simple set of understandable and accessible building blocks Select robust and transparent investment products easily and effectively Why do we catch colds? What causes seasons to change? And if you fire a bullet from a gun and drop one from your hand, which bullet hits the ground first? In a pinch we almost always get these questions wrong. Worse, we regularly misconstrue fundamental qualities of the world around us. In Scienceblind, cognitive and developmental psychologist Andrew Shtulman shows that the root of our

misconceptions lies in the theories about the world we develop as children. They're not only wrong, they close our minds to ideas inconsistent with them, making us unable to learn science later in life. So how do we get the world right? We must dismantle our intuitive theories and rebuild our knowledge from its foundations. The reward won't just be a truer picture of the world, but clearer solutions to many controversies—around vaccines, climate change, or evolution—that plague our politics today. Featuring updated author commentaries, this is an internationally bestselling selection of the famous seer ' s most relevant prophecies Nostradamus is widely known as the greatest diviner and visionary who ever lived. In the whole of publishing history, only the Bible has sold more copies than his prophecies, which have been in print since his death in the 16th century. Using a revolutionary new analysis of the secret dating of Nostradamus ' s prophecies, *The Complete Prophecies for The Future* reveals startling new interpretations, offering answers to relevant questions: Is the demise of the British monarchy inevitable? Will there be a Global War—and, if so, what will this mean for the world ' s climate? Nostradamus predicted the Twin Towers disaster of 9/11, the 2003 Iraq War, Hurricane Katrina, the devastating tsunamis of 2004/2005—and he foretold the future for decades to come. Uma revolução tecnológica, prevista por especialistas como Michael Hart, Don Tapscott, Bill Gates, Chris Anderson e Tim Berners-Lee, projetou as mídias digitais ao mainstream e finalmente alcançou o mundo dos livros. Mas essa revolução tecnológica não só alcançou os livros como transformou profundamente a realidade de seu mercado criando novos horizontes, possibilidades e desafios. E o mercado editorial, mesmo com sua consagrada manufatura de produção cultural, alcançou níveis alarmantes de riscos em seu histórico modelo de negócios. Ednei Procópio, neste seu mais recente estudo, traz uma análise profunda em futuro do passado, presente e futuro dos livros frente a uma revolução causada pela internet. A revolução dos eBooks. A indústria dos livros na era digital desmistifica o tema usando conceitos básicos que ajudarão profissionais do livro a desbravar o que um dos maiores especialistas na área considera um cenário único de oportunidades. "Como criar, divulgar e vender ebooks – sem gastar nada" era o que faltava para quem já tirou seu livro da gaveta, mas ainda não sabe como colocá-lo no mercado. E o mais importante: sem custo algum. Pensando tanto nos leitores que se sentem em casa navegando na internet quanto nas pessoas que não sabem muito bem como lidar com todas as informações da rede, Jason Matthews e Lia Gabriele Regius prepararam um conteúdo abrangente. Você vai aprender absolutamente tudo desde a criação de blogs até a otimização de palavras-chave, passando por técnicas fáceis de divulgação e venda. Durante a leitura, você terá acesso a ferramentas de marketing que nunca imaginou que existiam. Aprenderá a adequar seu livro para os formatos mais usados pelos dispositivos de leitura digital. E quando terminar o último capítulo, você perceberá que o mercado de publicação independente nunca foi tão fácil.

#1 New York Times bestselling author Ilona Andrews launches a brand-new Hidden Legacy series, in which one woman must place her trust in a seductive, dangerous man who sets off an even more dangerous desire . . . Nevada Baylor is faced with the most challenging case of her detective career—a suicide mission to bring in a suspect in a volatile situation. Nevada isn't sure she has the chops. Her quarry is a Prime, the highest rank of magic user, who can set anyone and anything on fire. Then she's kidnapped by Connor "Mad" Rogan—a darkly tempting billionaire with equally devastating powers. Torn between wanting to run and wanting to

surrender to their overwhelming attraction, Nevada must join forces with Rogan to stay alive. Rogan's after the same target, so he needs Nevada. But she's getting under his skin, making him care about someone other than himself for a change. And, as Rogan has learned, love can be as perilous as death, especially in the magic world.

"The T-RRIBLE" is a new children's book for children aged 6-9, written and illustrated by Children's Author J.N. PAQUET (who is also the creator of "The Book of The Animals" series). "The T-RRIBLE" is the 62 page story of a very special boy called Oliver Bluemoon. What is very special about Oliver is the fact that he is bilingual. One day, a strange little monster, "The T-RRIBLE," knocks at his door and asks him to travel to his planet because only HE can save his people from a gigantic asteroid that is about to destroy everything. Will Oliver succeed? With his new book "The T-RRIBLE," children's author J.N. PAQUET, as in his previous children's books, has created yet another very special story which stimulates the children to engage with their own imagination and have an enjoyable reading experience, both with their parents, teacher or educator and on their own. Its educational aim is to drive the bilingual fun-learning and the reading comprehension through an extraordinary story that shows to the children the importance of speaking other languages. Keen to go even further than ever before in promoting bilingualism, literacy and fun-learning, with "The T-RRIBLE," J.N. PAQUET has decided to write the story in rhymes, so that it contributes to the children's linguistic awareness and development. Through rhymes and the use of a specifically elaborated vocabulary, it also teaches the children the benefits of making decisions, developing ideas and thinking on their own. The colourful handmade illustrations, all created and painted by the author himself, open the children to his colourful new world where they will, episode after episode, get to meet some funny little creatures, visit their lands and kingdoms, discover their honey trees secret and where, more than anything else, there is no limit to anyone who is bilingual and loves books. The story promotes team working and friendship, among other moral values, and how these values can help avoid unnecessary conflicts. Although it was written for all children aged 6-9, it has a special appeal to the children who, living in bilingual families, sometimes don't want to be bilingual anymore. "The T-RRIBLE" shows them that being bilingual is a great asset, it should always be cherished and it will be useful in their future lives. After all, bilingualism is more than speaking two languages. It is also about learning from others: their culture, their life and their differences. Learning from each other is all that is needed to build a better world... right here, on Earth!

Most men don't want you, they want to f**k you, know the difference. Most men don't love you, they love what

you do for them, know the difference. Men Don't Love Women Like You! is a Step-By-Step manual on how to stop manipulation, command attention, and be seen as a must have by any man! ***** You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman. Men play along but they don't play for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than. No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!" There are two types of women The Placeholder & The Game Changer. You are The Placeholder, that girl who fills a man's needs until The Game Changer arrives. A man will date you, sleep with you, even enter into a relationship, but you are not what he really wants. You are a practice woman, preparing him for his future wife. Aren't you tired of being just another seat filler? Will you become yet another mediocre woman that ends up settling for average because great men don't see her as anything special? Or are you ready to Spartan Up and learn how to become his Game Changer... Men Don't Love Women Like You, is a brutally honest manual that will transform you from typical to priceless. The secrets in this book will guide you step by step as you learn what men think, how to counter their Bullsh*t, and the exact ways to turn the table in your favor. No matter who the man is, how young, old, rich, or popular he may be, this book will show you how to attain power over him. From the first meeting to the first date. From a new relationship hitting its first bump to an old relationship on its last legs. You will learn to dominate men in ways you never dreamed of. You will become what you were always meant to be A Goddess in the flesh. Typical bitches get Typical results! Empowered women get powerful results! Open this book and learn how to get away with Pu\$\$y Power at a level never before seen and change your life.

The first cookbook from cult yakitori restaurant Yardbird puts the spotlight on chicken - taking grilling to a whole new level Chicken is the world's best loved meat, and yakitori is one of the simplest, healthiest ways to cook it. At Yardbird in Hong Kong, Canadian chef Matt Abergel has put yakitori on the global culinary map. Here, in vivid style, with strong visual references to Abergel's passion for skateboarding, he reveals the magic behind the restaurant's signature recipes, together with detailed explanations of how they source, butcher, skewer, and cook the birds with no need for special equipment. Fire up the grill, and enjoy. The first comprehensive book about yakitori to be published in English, this book will appeal to home cooks and professional chefs alike.

Death, law and in that order at Guantanamo Bay. The 2015 RONE Award nominated, fast-paced, action packed #1 best selling legal and political thriller book from the bestselling author critics call 'one of the strongest thriller writers on the scene.' This mystery novel challenges everything you believe about justice and freedom. When a naturalized American citizen turns up missing in Iraq, Attorney Brent Marks fights the Goliath U.S. Government's Patriot Act. Santa Barbara accountant Ahmed Khury responds to the plea of his brother, a suspected money launderer in Iraq. Before Ahmed realizes what has happened

to him, he is sent to Guantanamo Bay Detention Camp as a suspected terrorist, and is subjected to torture to extract information that he doesn't have. The courtroom drama mounts as the drama outside the courtroom explodes, and when murder, corruption and cover-up enters the picture, nobody, including Brent, is safe. This prequel to the best-selling first legal thriller of the series, "Predatory Kill," rocketed to the top of four paid bestseller charts: #1 Best selling pulp thriller # 1 Best selling legal thriller # 1 Best selling political thriller # 1 Best selling Mystery Collections & Anthologies High marks from critics for Lawyer Brent Marks: "Eade, a lawyer by profession, weaves legal dialogue, corruption and international action to create a pacey read with echoes of Grisham, Baldacci and Clancy nipping at his writing heels. Packed with action in and out of the courthouse, but it's the court drama that really packs some punch." - SPR Review "One hell of a legal thriller that challenges everything we know about justice and freedom."- Markus Book Reviews "An edge-of-your-seat thriller that could easily be transformed into a dramatic film. Simply riveting, start to finish!" InD' Tale Magazine Find out what readers already know about this informative political thriller: "Kenneth Eade has written a masterpiece! Eade gives a real life glimpse into Guantanamo Bay, and the conditions inside the detainee camps. This book is required reading for anyone that cares about liberty and justice." -Joseph Hickman, Former Guantanamo Guard, Independent Researcher, Adjunct Professor, Seton Hall Law School, Author "Murder at Camp Delta" "Eade's skill with writing dialog is brilliant. His technique for propelling a story forward is second to none." Grady Harp "Kenneth Eade is a master of suspense and unexpected twists, which makes "A Patriot's Act" an exciting, unpredictable page-turner, and a must-read for anyone who loves legal thrillers." I Publisher News "Read this book if you are a true patriot. I am a retired First Sergeant from the US Army. Kenneth takes on the hard issues and does a superb job. Our government let us down and Kenneth brings it to the forefront. If you doubt my patriotism look at the medals on my chest." G. Gonzalez "Mr. Eade brings an amazing story to life." ISBN: 978-1530323715 BISAC: FIC031030 Osvaldo é um gênio, mesmo que sua esposa Sariyah goste de zombar dele por seu péssimo trabalho de lavador de pratos em um restaurante. Osvaldo não liga para o trabalho chato dele, pois é apenas um disfarce para o seu verdadeiro emprego. Contrabandear pessoas em seu compartimento secreto do Chevrolet Suburban é seu verdadeiro trabalho. Seu desafio é derrotar o governo e ganhar dinheiro. Ele é um capitalista que só está interessado em ganhar dinheiro e ser pago. Não importa quem quer passar, se lhe pagarem. Essa confusão lateral é a única coisa que está pagando suas contas no sul da Califórnia, já que seu emprego regular é apenas um trabalho de salário mínimo. Chega um amigo de Seattle, em Washington, para pedir Osvaldo que lhe pague um favor que ele deve. Osvaldo não tem certeza se está à altura da tarefa, mas precisa pagar seu favor para que o amigo chato pare de incomodá-lo. Um novo desafio chega e o coloca na perigosa tarefa de resgatar pessoas dos Devilcare Death Panels & Camps. Agora sua vida está em

perigo real assim que Presidente Führer Devil-Eggs assinar uma ordem executiva que punirá qualquer pessoa que resgatar pessoas de dentro de lá com um pelotão de fuzilamento. Osvaldo deve lidar com o estresse e o perigo enquanto cuida para que sua esposa não conte ao governo sobre sua nova briga de lado. Ele não quer acabar morto, já que sua esposa tem ataques de pânico quando eles estão fazendo atividades ilegais.

The fourth book in the beloved Harry Potter series, now illustrated in glorious full color by award-winning artist Jim Kay. Harry Potter wants to get away from the pernicious Dursleys and go to the International Quidditch Cup with Hermione, Ron, and the Weasleys. He wants to dream about Cho Chang, his crush (and maybe do more than dream). He wants to find out about the mysterious event involving two other rival schools of magic, and a competition that hasn't happened for a hundred years. He wants to be a normal, fourteen-year-old wizard. Unfortunately for Harry Potter, he's not normal - even by wizarding standards. And in this case, different can be deadly. With dazzling illustrations from Jim Kay, this new fully illustrated edition of the complete and unabridged text of Harry Potter and the Goblet of Fire is sure to delight fans and first-time readers alike. With a military career and work as a CIA death squad assassin in his past, Robert Garcia resurfaces to aid a fellow soldier and transforms again into Paladine, a living paladin whose mission is to kill jihadists before they can complete their own deadly missions. This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

From the New York Times bestselling authors of Abundance and Bold comes a practical playbook for technological convergence in our modern era. In their book Abundance, bestselling authors and futurists Peter Diamandis and Steven Kotler tackled grand global challenges, such as poverty, hunger, and energy. Then, in Bold, they chronicled the use of exponential technologies that allowed the emergence of powerful new entrepreneurs. Now the bestselling authors are back with The Future Is Faster Than You Think, a blueprint for how our world will change in response to the

next ten years of rapid technological disruption. Technology is accelerating far more quickly than anyone could have imagined. During the next decade, we will experience more upheaval and create more wealth than we have in the past hundred years. In this gripping and insightful roadmap to our near future, Diamandis and Kotler investigate how wave after wave of exponentially accelerating technologies will impact both our daily lives and society as a whole. What happens as AI, robotics, virtual reality, digital biology, and sensors crash into 3D printing, blockchain, and global gigabit networks? How will these convergences transform today's legacy industries? What will happen to the way we raise our kids, govern our nations, and care for our planet? Diamandis, a space-entrepreneur-turned-innovation-pioneer, and Kotler, bestselling author and peak performance expert, probe the science of technological convergence and how it will reinvent every part of our lives—transportation, retail, advertising, education, health, entertainment, food, and finance—taking humanity into uncharted territories and reimagining the world as we know it. As indispensable as it is gripping, *The Future Is Faster Than You Think* provides a prescient look at our impending future. Scripture calls us to worship the Lord in the beauty of holiness. Anything un-holy-- including prophecy, and religious hypocrisy-- is a kind of "strange fire," deserving of the most severe judgment. MacArthur provides a rigorous evaluation of those whose foundation and direction have betrayed the God they claim to represent.
